Congratulations on purchasing a Million Dollar Baby Product. This crib will provide many years of service if you adhere to the following guidelines for assembly, maintenance, and operation. This crib is for residential use only. Any institutional use is strictly prohibited.

Please be sure to follow the instructions for proper assembly. Use a Phillips head screwdriver for assembling the crib in addition to the Allen wrench included in the hardware box. Do not use power screwdrivers. All of our cribs are made from natural woods. Please understand that natural woods have color variations which are the result of nature and not defects in workmanship.

DO NOT SUBSTITUTE PARTS. ALL MODELS HAVE THE SAME QUANTITY OF PARTS AND HARDWARE. YOUR MODEL MAY LOOK DIFFERENT FROM THE ONE ILLUSTRATED DUE TO STYLISTIC VARIATIONS.
CRIB PARTS

A. Headboard
B. Footboard
C. Left side panel
D. Right side panel
E. Left front leg
F. Right front leg
G. Left rear leg
H. Right rear leg
I. Spring Frame
J. Cross bar (2)
K. Post bracket (4)

HARDWARE

L. 3/4" Allen head bolt (4)
M. 5/8" Phillips head screw (12)
N. Barrel nut (24)
O. 3" Allen head bolt (12)
R. Metal dowel (4)
S. 3 1/2" Allen head bolt (12)
T. Lock washer (32)

Tools Needed
(not included)

Q. Allen wrench
Phillips screwdriver
**STEP 1.**
Attach the post brackets (K) to each of the four legs using three wood screws (M) for each bracket.

**STEP 2.**
Insert a metal dowel (R) into each end of the cross bar (J). Insert barrel nuts (N) in the holes in the headboard (A) and one cross bar (J). Use 6 Allen head bolts (O) and lock washers (T) to attach the rear legs (G) and (H). Be sure the holes with the barrel nuts face to the outside of the crib. Use the provided Allen wrench (Q) to tighten the bolts securely.

_Do not overtighten the bolts._

**STEP 3.**
Insert barrel nuts (N) in the holes on each side panel (C) and (D) and use 6 Allen head bolts (S) and lock washers (T) to attach the front legs (E) and (F). Use the provided Allen wrench (Q) to tighten the bolts securely.

_Do not overtighten the bolts._
**STEP 4.**
Insert barrel nuts (N) into the holes in the side panel assemblies and attach them to the headboard assembly with 6 Allen head bolts (S) and lock washers (T). Be sure that the post brackets face to the inside of the crib. Use the provided Allen wrench (Q) to tighten the bolts securely.

Do not overtighten the bolts.

**STEP 5.**
Swing out the four hangers at the corners of the spring frame (I). Be careful to avoid scratching the crib finish. Attach the spring frame (I) FLAT SIDE UP. Choose the proper level for the mattress, starting at the highest level and adjust it down as the child grows. Secure the spring frame to rear posts using 4 Allen head bolts (L) and lock washers (T).

Do not tighten the bolts fully at this time.

**STEP 6.**
Insert a metal dowel (R) into each end of the cross bar (J). Attach the front cross bar (J) between the side panels insert barrel nuts (N) into the holes in the cross bar and attach it with Allen head bolts (O).

Do not tighten the bolts fully at this time.
Keep this manual in a safe place for future reference.

Please refer to the label (sample below) on the inside face of the headboard. Record the model/ item number and serial number of your crib, the name of the store where you made the purchase, the date of purchase and the wood finish in the box to the lower right.

**CAUTION:** Any mattress used in this crib must be at least 27 1/4 inches by 51 5/8 inches with a thickness not exceeding 6 inches.

---

**STEP 7.**

Insert barrel nuts (N) into the holes in the footboard (B) and attach it between the side panels using 4 Allen head bolts (O) and lock washers (T). Tighten the bolts securely with the Allen wrench.

Now go back and tighten all of the bolts on the crossbar and spring frame.

Do not overtighten the bolts.

This crib was tested and passed the rigorous JPMA certification program.
To learn more about the JPMA and the testing and certification program visit our website www.milliondollarbaby.com or the JPMA website www.jpma.org

---

Please read the Caution and Warning Statements insert before using your crib.

---

We will ask you for your serial number for all warranty and replacement part requests. Please refer to the last page of this instruction sheet for warranty information. Keep this manual inside the plastic holder attached to the mattress support for future reference.
WARNINGS: Failure to follow these warnings and assembly instructions could result in serious injury or death.

READ ALL INSTRUCTIONS BEFORE ASSEMBLING CRIB. KEEP THE MANUAL FOR FUTURE USE.

WARNING:
- Strings can cause strangulation! Do not place items with a string around a child’s neck, such as hood strings or pacifier cords. Do not suspend strings over a crib or attach strings to toys.
- DO NOT place a crib near a window where cords from blinds or drapes may strangle a child.
- Keep wall decoration, especially those with strings, completely out of a child’s reach.
- Before each usage or assembly, inspect crib for damaged hardware, loose joints, missing parts or sharp edges. DO NOT use the crib if any parts are missing or broken. Ask your dealer or contact Million Dollar Baby for replacement parts and instructional literature if needed. DO NOT substitute parts.
- Check fasteners periodically for tightness. Do not overtighten. This may cause distortion or breakage.
- When a child is able to climb out, reaches the height of 35 inches (90cm) or when the height of the side rail is less than 3/4 of the child’s height, the child should be placed in a youth or regular bed.
- After raising sides, make sure latches are secure.
- DO NOT leave child in crib with sides lowered. Be sure sides are in raised and locked position whenever child is in crib.
- If refinishing, use only a non-toxic finish specified for children’s products.
- When a child is able to pull to a standing position, set the mattress to the lowest position and remove bumper pads, large toys and other objects that could serve as steps for climbing out.
- Never use plastic shipping bags or other plastic films as mattress covers because they can cause suffocation.
- DO NOT use a water mattress with this crib.
- Replace teething rail(s) if damaged or loose.
- Use a crib as a crib, not as a play pen. Remember that a crib is not a substitute for a parent’s supervision.
- Parents should ensure a safe environment for their child by checking the crib regularly before placing the child in the product. Please make sure that every component is properly and securely in place.
- When re-assembling the crib for your second child, please keep in mind that the screw holes will need to be filled in order for the screws to grip the wood. Talk to your local hardware store or lumber yard about how to do this properly.

ONE YEAR LIMITED WARRANTY:
We will replace any missing parts at the time of purchase or any defective item within a one year period from the date of original purchase. Please keep your receipt so that we may process your warranty request. This warranty only covers new units with original packaging and ownership, and is not transferable. It does not cover any used, secondhand or demo models.

This warranty does not cover any damaged or defective parts that result from installation and assembly, normal wear and tear, abuse, negligence, improper use or alteration to the finish, design, and hardware of the crib. The specific legal rights of this warranty may vary from state to state. Some states do not allow any exclusion or limitation of incidental damages. Some stated do not allow limitation on how long an implied warranty lasts.

Registering your product is even easier than before. You can register your product on our website at www.milliondollarbaby.com

Care and Cleaning:
Do not scratch or chip the finish. Do not use abrasive chemicals for cleaning. Clean with mild soap on a soft rag. Rinse and dry thoroughly. If you ever refinish this furniture, be sure to use only a non-toxic finish specified for children’s products. If you choose to refinish this furniture, the warranty will be voided.

IF YOU WOULD LIKE TO ORDER REPLACEMENT OR MISSING PARTS PLEASE VISIT US AT: WWW.MILLIONDOLLARBABY.COM

OR YOU CAN CONTACT US BY MAIL

MILLION DOLLAR BABY
855 WASHINGTON BLVD.
MONTEBELLO, CA 90640
All of the parts and hardware you will need is supplied with the crib at the time of purchase.

**STEP 1.**
Unscrew the six Phillips head bolts (O) and remove the cross bar (J) and footboard (B).

**STEP 2.**
Move the spring frame to the lowest level.

**STEP 3.**
Attach the guard rail to the side panel posts using four Allen head bolts (L).
The guard rail can be installed with the high end facing either to the left or the right.

Check to make sure that all of the bolts are fastened securely.

Do not overtighten.

⚠️ **WARNING:**
The minimum age shall not be less than 15 months and the maximum weight shall not be greater than 50 lbs.

Failure to follow these warnings and the assembly instructions could result in serious injury or death from entrapment or strangulation. Do not place the bed near windows where cords from blinds or drapes may strangle a child.

If guard rails are used as the mattress containment means, the guard rails provided must be used.
