Moissanite Buying Guide

Moissanite –
world's most brilliant gem –
is made, not mined.

Moissanite by the numbers:

Brilliance	Fire	Hardness
2.65–2.69	0.104	9.25–9.50

There are different qualities of moissanite, which is determined by color, clarity and cut.

Forever One™

by CHARLES & COLVARD®

The world's first colorless moissanite.

Introduced by Charles & Colvard in September of 2015, Forever One is for those who demand the very best when choosing the gemstone for their most precious moments.

MOISSANITE

by CHARLES & COLVARD®

Introduced in June of 2018, Moissanite by Charles & Colvard gemstones are the perfect choice for those who are value-conscious, as it delivers some of the best bling for the buck.

forever BRILLIANT®

Introduced in 2012, Forever Brilliant gemstones are near-colorless with slightly warm hues. Since the raw material for these gems is no longer grown, limited supplies of Forever Brilliant moissanite are available at affordable prices.

forever CLASSIC™

In 1995, Charles & Colvard came to life when it introduced its patented moissanite gemstone, Forever Classic, to the world. This gemstone has warm yellow/green hues and is available in limited quantities while supplies last.
