

# INSTRUCTION MANUAL

---

*BAR STOOL*

[www.crestliveproducts.com](http://www.crestliveproducts.com)

## BEFORE INSTALLATION

- Please list all parts as below first to check if any part is missing and make assembly easier.
  - Do be careful that some parts are heavy and sharp.
  - Please follow the assembly steps to install the product, if you find spare parts left, don't be worried, the left spare parts are prepared for bad ones if occurred.
  - Once you hand tighten all of your bolts into place, we are going to use our wrench to fully tighten into place.
  - Please do not exceed the bearing limitations of the product.
  - Reconfirm that all bolts, screws, and knobs are secure every 90 days.
- Please retain these instructions for future reference.

If you find stools uneven when assembled, please loosen the 8 screws on the bars, then tighten these screws until stools are adjusted to be even.

## CARE & MAINTENANCE

- Do not put hot items directly on furniture surface.
- Do not clean furniture with harsh cleansers or polish.
- To obtain the longest lifespan of your indoor products, minimizing exposure to direct sunlight is recommended.
- Children should not climb or jump on the furniture.
- Do not write on furniture without a padded barrier to protect the surface.
- To obtain the longest lifespan of your indoor products, avoid extended and lengthy exposure to direct sunshine. Whenever possible cover the product.
- Stains may be removed with mild soap solution and damp cloth.
- Keep away from sources of ignition.
- Dust and pick-up spills using a clean, non-colored, lint-free cloth.
