

Swivel function

Swivel function is convenient for daily work needs.

Genuine Leather

Premium and durable genuine leather with slight distressing to give a vintage and luxurious sense.

A close-up photograph of the back of a brown leather chair. The leather has a natural, slightly cracked texture. Two vertical lines of stitching run down the backrest, and horizontal stitching is visible along the edges. The background is blurred, showing a wooden shelf and some indistinct objects.

Exquisite Stitches

Stylish horizontal stitching on the edges and backside of the seat and back.

No-wheels base design

Provides a strong support structure.
