## Product Size

## Specification

Brand	Archiology
Product Name	TRI Floor Lamp
Max Wattage	40W
Bulb Base	E12
Number of bulbs required	3
Product Size	ø21.7" x H62.3"
Product Material	Metal
Base Material	Metal
Switch Type	Foot Switch on/off

## Assembly Instructions

1. Twist the iron pipe head and the tripod head to tighten.

You may need to gently pull the excess wires over the rod to make these two parts fit securely.

2. Twist the iron pipes B and C to the pipes in turn to tighten.

Please make sure the two parts of the iron pipe fit. There should be no gap between them so that they remain stable.

3. Install the accessory (D) lampshade on the lamp head, and then rotate the socket ring (E) until the shade is firmly fixed.

Note:Part F (socket ring) on the socket holder.

4. Screw the bulb (E12 Base) onto the lamp cap (Bulb sold separately).

## **Guarantee**

Your Archiology floor lamp includes a warranty that guarantees customer satisfaction. This warranty includes a 100% refund on your lamp within 3 months of purchase if you choose to return it. At Archiology, we strive to design high-quality products and provide superior after-sales service for every customer.

If you have any questions or concerns about your new floor lamp, don't hesitate to contact us! When you send your email, please include your order number along with any product photos highlighting your issue. We're happy to assist with any after-sales concerns to ensure you enjoy your new Archiology lamp!

## **Product Certification**

Our products are UL safety certified, which means that they meet recognized safety and security standards. As a result, your new lamp is a safe addition to your home lighting collection.
