

### Installation steps:

1. Insert the lamp arm into the side hole of the center column
2. Fix the lamp arm with washers and nuts
3. Close the top cover
4. Connect the lamp cap wire of the same color with the wire of the same color on the main line
5. Close the lid
6. Tighten the smooth nut
7. install the suspender on the lamp body (length adjustable)
8. Tighten the suction cup on the boom
9. Fix the hanging board on the junction box with the screws on the accessory package
10. Connect the main line of the lamp body with the line reserved on the ceiling
11. Put the whole lamp on the hanging plate (let the hanging plate screw expose the suction plate)
12. Twist the flower nut onto the exposed hanging plate screw
13. Installation of light source (without bulb)
14. Twist the lampshade into the lamp cap

### Attention:

1. Please cut off the power supply before installation to prevent electric shock (installation by certified electrician is recommended)
2. Due to the different display, the actual color can be different from the image
3. Due to the manual measurement of lamp body size, there may be a deviation of 1 / 2 inch
4. If you have any questions or lost parts, please feel free to contact us and we will try our best to help you
