

CARE AND MAINTENANCE

Spot clean using a mild water-free solvent. Only a professional cleaner should undertake a complete overall cleaning.  
The use of steam or water-based cleaners may cause excessive shrinking or staining.

NOTICE

- \* Please make sure that you have all parts indicated before you begin assembly of this item.
- \* This item should be assembled on a soft surface to prevent scratching the finish during assembly.
- \* This item may require periodic tightening.

Part List and Hardware List
