

FRASER HILL FARM®

Flocked Pine Valley Collection

The Pine Valley flocked artificial Christmas tree from Fraser Hill Farm features a natural A-line silhouette with extremely lifelike foliage and all-metal hinged branch construction. A heavily flocked finish was designed to resemble freshly fallen snow that is true to season and produces a natural effect.

Fraser Hill Farm produces the most realistic trees on the market, featuring all the long-term benefits that come with owning an artificial tree. The tree needles are constructed out of non-allergenic and flame-retardant materials. The details create the look of a natural tree and require no maintenance. Simply unfold out of storage, fluff and decorate.
