- * Before beginning assembly of product, make sure all parts are present. Compare parts with part contents list and hardware contents list.
- * If any part is missing or damaged, do not attempt to assemble the product.
- * Estimated Assembly Time: 10 minutes.
- * Tools Required for Assembly (included): Allen Key

CARE AND MAINTENANCE

LEATHER AND SUEDE CARE: Leather surfaces on Safavieh Furniture should be dusted regularly with a dry or slightly damp soft cloth. Avoid using saddle soap or other cleaners. Leather desks and tabletops have a lacquer coating; therefore they can be lightly waxed. Suede surfaces should only be cleaned with a dry, stiff brush. Exposure to liquid spills should be avoided since suede cannot be washed or cleaned like leather. It is 100% Safavieh Bicast Leather.
