Safety Information

PRECAUTIONS

Use caution and common sense when using your outdoor fireplace. Failure to adhere to the safety warnings and guidelines in this manual could result in bodily injury or property damage. Save this manual for future reference.

WARNING: Use with extreme care and at your own risk.

WARNING: The metal surface can get very hot and caution must be used when handling the fireplace after use. Never move the outdoor fireplace when in use or immediately after use when it may be hot.

WARNING: Do not touch the flame or outdoor fireplace when in use.

WARNING: Do not use during windy conditions

WARNING: Please check with your local fire municipality or authority on any restrictions of use.

WARNING: Do not overload the bowl beyond 6 to 8 pounds. Do not overfill pan with wood such that it extends the edges of the pan - Cover must rest completely on the pan, not the wood.

WARNING: Place the outdoor fireplace on firm, level ground or surfaces free of debris. Do not use on wooden or composite decks.

WARNING: It is advised that a fire extinguisher be readily available. Refer to your local authority to determine the proper size of the fire extinguisher..

WARNING: Do not use the outdoor fireplace for other than its intended purpose.

WARNING: Do not attempt to service or modify the fireplace other than normal maintenance procedures as explained in the Care and Cleaning section of this manual.

WARNING: Metal surfaces will become extremely hot during use. Always use caution when handling a spark screen and a screen lifting tool, if equipped. Failure to wear flame retardant, protective gloves while handling steel parts may lead to serious burns and injury.

WARNING: Strictly for wood burning; not intended for use as a grill or for food preparation.
