

Anti-tipping/Wall Bracket Kit

***Highly recommended to be installed with your furniture. If you have a child at home, it is recommended to install this kit to prevent furniture from tipping forward if your child pulls on it or tries to climb on it.**

Part List and Hardware List

PIECE	DESCRIPTION	PICTURE	QUANTITY
H3	Nylon Strap		2 PCS
H4	Long Screw	 M4*25mm	2 PCS
H5	Plastic Screw Anchor		2 PCS
H6	Wall Bracket		2 PCS

Assembly Steps

2. Mark the location on the wall for mounting the second bracket "H6". Create the appropriate sized hole in the wall and insert the plastic screw anchor "H5". Secure the bracket to the wall using the long screw "H4".
3. Place the furniture so the bracket on the back edge of unit is lined with the bracket on the wall.
4. Lace the end of the nylon strap "H3" down through each of the bracket. Bring both ends together and slide the beaded end of the strap through the keyhole shaped slot on the other end. Pull down on the beaded end until it snap-locks into the keyhole.
5. Check to make sure the strap is securely laced and locked to the brackets.
6. Complete!
