PLEASE READ ALL INSTRUCTIONS CAREFULLY BEFORE ASSEMBLING AND USING THE PRODUCT.

SAFETY ADVICE

- Keep the product away from fire and inflammable objects.
- Do not stand on the product or use the product as a stepladder.
- Do not overload, otherwise it will cause risk of injury and/or damage to the product.
- Never allow kids to climb on or lean against the product. The product comes with an anti-tip wall anchor. Do fix the anti-tip device to avoid potential injury.
- Check that the product is stably built before use and make sure the product stands on a solid and level surface.

CARE ADVICE

- Wipe with soft dry cloth.
- Never allow any sharp objects to touch the surface. It will damage the finish of the product.
- Never allow any kind of liquid to remain on the surface. Water penetration will cause damage to the wood material.
- Please periodically check all fittings and re-tighten as necessary.

ASSEMBLY ADVICE

- Ensure that you have sufficient space and people to assemble the product safely.
- Please check that all parts are present before you start the assembly. A Philips head screwdriver (not included) is required for the assembly.
- Please assemble the product on a protected surface (packaging box, or mat, etc) to avoid any damage.
- During assembly, do not tighten bolts/screws completely until all bolts/screws are lined up and inserted into holes; do not over-tighten screws and bolts to avoid stripping; do not use power tools.
- Please check that the product is well and stably built before usage.
