PRDOUCT DESCRIPTION

Compared to solid-colored leather fabrics, our chairs are more beautiful and delicate.

The black paint will not fade and be more beautiful, ensuring the stability and durability of the chair to the greatest extent.

The thickened leather cushion is more comfortable, and the memory sponge allows the chair for a long time without deforming.

Avoid the thoughtful design of the loss during transportation, all accessories are placed in the middle of the seat.

Not only does it make the chair look more refined and retro, but it further enhances the firmness of the fabric.
