

your global source for unique lighting + home decor

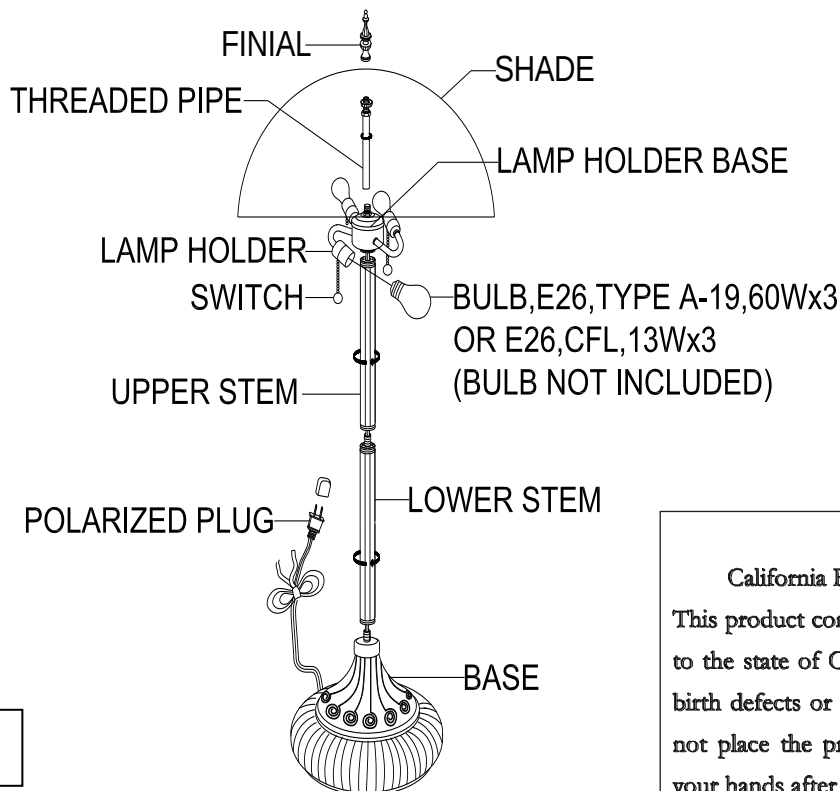

ASSEMBLY INSTRUCTIONS

1. Carefully lay out all parts in a line on a flat surface. Be careful not to pull the center cord heavily as a bad connection may result.
2. Begin the assembly of the lamp at the base and proceed upward to the shade.
3. Screw the lower stem onto the base clockwise until secure.
4. Thread the upper stem onto the lower stem.
5. Turn the lamp holder base counter clockwise several times in order to avoid damage to the center cord and then thread the lamp holder base clockwise onto the upper stem.
6. Screw the threaded pipe onto the top of lamp holder base
7. Attach the shade to the threaded pipe then secure with finial (DO NOT OVERTIGHTEN).
8. Install bulb(s) (Not included)

CAUTION - Refer to the wattage caution label located near the lamp holder for maximum wattage-do not exceed recommended wattage.

WARNING - Do not attempt to replace the bulb(s) while the lamp is plugged into a wall receptacle.

9. Insert plug into wall receptacle.

MADE IN CHINA

WARNING

California Residents Proposition 65

This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.

Note: 1. The above diagram illustrates the installation of your new luminaire. This is a representative drawing and is not intended to match the style of your luminaire.

2. This stained glass product has been protected with mineral oil as part of the finishing process. Please use a soft dry cloth to remove any excess oil.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.
