

ASSEMBLY INSTRUCTION FOR ITEM C8406FUB / C8406QUB

We believe you will absolutely love your new furniture. Please immediately examine this product carefully. Any request for missing part or damage replacement must be received within 90 days of your receipt of the product. For some reason you want to return the product, please contact us directly before you decide to return your product to the retailer. Our Customer Service team can answer most concerns and can assist you with any questions you may have about your new product.

Please contact us first by emailing service@casepiece.com

Have these ready when you email:

- **Item Number**
- **PO #**
- **Purchaser Name**
- **Proof of Purchase**
- **Description of the problem and/or the Part Number needed**

Replacements for missing or damaged parts or hardware are normally shipped within 3 to 5 business days and we thank you for your patient.

The item must be returned in good condition, in original box, with all original proof of purchase, parts and accessories, within the time frame specified by the retailer it was purchased from.

90-Day Limited Warranty Statement for Manufacturing Defects

Please read this Limited Warranty carefully. To maintain your Warranty, you will need to comply with the conditions stated here. This warranty is for manufacturing defects only and does not cover damages as a result of misuse.

1. Our products sold comply with the description contained in this Warranty. All parts and products are warranted 90-Day from the original date of delivery except: parts and products used for commercial, contract, rental trade, institutional, or any other non-residential purposes; parts and products that have not been maintained in accordance with the care recommendations provided; parts and products damaged resulting from the consumer's improper assembly; or parts and products that are damaged or defective due to normal wear and tear.

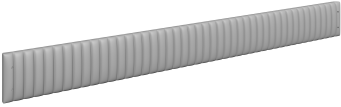

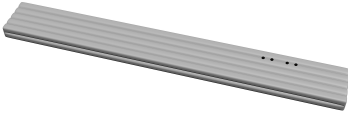

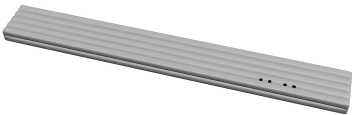

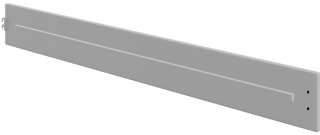

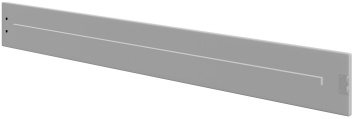

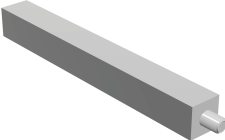

2. To exercise rights under this warranty, proper documentation, i.e., photography, purchase order number, manufacturer's bar code label, and or any other pertinent information upon request is required. We reserve the right to repair or replace the product within the warranty period based upon the documentation received as support of a claim for consideration. We will not replace or repair any product if improper maintenance, improper handling, or improper use caused the damage. Any product sold from or modified by a Non-Authorized Dealer, Seller or Consumer will void the Warranty.

3. Cost of packaging and shipping to and from us is not covered by the warranty unless expressly arranged by us. This warranty does not extend to furniture that has been exchanged or replaced by us as settlement of an original claim of defective merchandise. This warranty does not extend to furniture that has been moved from delivery location on original purchase order.

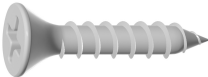

We appreciate your business!

I  CSK C/B SCREW M4 x 32MMx8	J  L - KEY M4 x 100MMx1	K  L - KEY M5 x 65MMx1	L  SUPPORT LEG ADJUSTABLE FEETx4
M  WOOD DOWEL M10 x 30MMx4			

STEP 1

REMINDER: ARROW FACING UPWARDS

This diagram illustrates the first step of the assembly process. It shows a rectangular base plate (1) with a grid of holes. A stack of support rods (5) is being inserted into the base plate. A circular inset provides a detailed view of the base plate's surface, showing the grid of holes and the orientation of the arrows (2) facing upwards. Another circular inset shows the base plate being secured to the support rods (5) using a bolt (4) and a washer (L). A third circular inset shows the base plate being secured to the support rods (5) using a bolt (J) and a washer (D, E, F).

STEP 2

Diagram illustrating the assembly of the top plate (1) onto the main structure (3). The callout shows a close-up of a screw (K) being tightened into a pre-drilled hole (B) in the top plate (1) using a screwdriver (G). The screw passes through the top plate into the underlying structure (3).

STEP 3

Diagram illustrating Step 3: Attaching the base plate to the motor. The base plate (6) is shown being attached to the motor assembly. The motor assembly includes a vertical shaft (D) and a horizontal shaft (K) with a pulley (J). Red curved arrows indicate the rotation of the pulley. The motor assembly is labeled with 6, 8, D, J, K, C, G, and H.

STEP 4

Diagram illustrating Step 4: Attaching the side rails. Two long, thin rectangular rails, labeled 9 (L) and 10 (R), are shown. A circular inset shows a hammer driving a nail (labeled M) into the end of rail 9. Arrows indicate the rails are to be attached to the ends of the main assembly.
