ASSEMBLY COMPLETED

Please ensure the furniture rests on an even and flat surface. If the product wobbles or feels loose, double-check all bolts and/or screws are properly tightened and secured.

Keep this handy!

Please retain this instruction manual and any order-related information for future reference.

Lift, don't drag!

To avoid damage to product please always LIFT the product when transporting or adjusting the placement.

Lift, don't drag!

To avoid damage to product please always LIFT the product when transporting or adjusting the placement.

Warm tip: When you assemble the left sofa, switch the upper hanging piece of part #2 with the upper hanging piece of part #9 (operate with a allen key #12), there is no need to assemble part #11 onto part #2, continue to assemble the product, you will get the left sofa without part #11 in sight!
