## IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over tighten screws and bolts to avoid stripping.

# Step 1

Let's begin! Lay the Desktop Assembly (A) upside down. Attach Right Leg (C) to the Desktop Assembly (A) using 1/4" x 2" Hex Button Head Bolt (1), Spring Washer (2), Flat Washer (3), and the Allen Key (5). You will do this step twice, once on each side of the Right Leg (C).

Tighten screws to 75%.

# Step 2

Attach the Horizontal Stretcher (D) to the Desktop Assembly (A) using 1/4" x 2" Hex Button Head Bolt (1), Spring Washer (2), Flat Washer (3), and the Allen Key (5).

Tighten screws to 75%.

# Step 3

Secure the Horizontal Stretcher (D) to the Right Leg (C) using the Crescent Spacer (4) and 1/4" x 2" Hex Button Head Bolt (1). Be sure to place the components using (4) first, then followed by (1).

Use the Allen Key (5) to tighten to 75%.

# Step 4

Attach the Left Leg (B) to the opposite side of the Desktop Assembly (A). Secure the Left Leg (B) in place, using 1/4" x 2" Hex Button Head Bolt (1), Spring Washer (2), Flat Washer (3), and the Allen Key (5).

Tighten to 75%.

# Step 5

Secure the Horizontal Stretcher (D) to the Left Leg (B) using the Crescent Spacer (4) and 1/4" x 2" Hex Button Head Bolt (1). Be sure to place the components using (4) first, then followed by (1).

Use the Allen Key (5) to tighten to 75%.

Then adhere a Footpad (14) to the bottom of each leg.

# Step 6

You're over halfway there!

Secure the "L" brackets (15) to the four corners of the underside of the desk using the M3.5X15mm Screws (7).

# Step 7

Yay, it's time to flip over the desk!  
Set it upright and attach the Handle  
(6) to the drawer using two of the  
M3.5X15mm Screw (7).

# Step 8

You're within minutes of pressing  
play on Netflix! Now that it is  
upright, tighten the screws on each  
corner to 100%.

# Step 9

Safety first! Let's get this desk secured to the wall. Mount the Plastic Bracket (8) to the wall using the provided Wall Anchors (9) or (13) and M4\*50MM Screws (12). We recommend using a 5/16" drill bit.

Secure the other Plastic Bracket (8) to the back of the desk using the M3.5\*15MM Screws (10) and then secure the desk to the wall by looping the Plastic Tether (11) through both brackets.

## IMPORTANT NOTE:

Young children (and/or pets) can be seriously injured by tipping furniture units.

You must install the provided anti-tip kit hardware solution, as instructed, to prevent the furniture unit(s) from tipping over - which could possibly lead to injuries or damage.

The provided anti-tip kit hardware solution is intended only as an additional safety measure & deterrent; it is not a substitute for proper adult supervision.

The provided anti-tip kit hardware solution is not an earthquake restraint. If you wish to add the extra security of earthquake restraints, they must be purchased & installed separately.

# How to use Drywall Anchors

1. Drill hole with 5/16\" bit.

2. Pinch and insert.

3. Begin tightening.

4. Anchor is secure when screw is tightened to 100%

# No heartburn, when we handle the return

Give us a call **1-866-619-1004** or shoot us a message

You

We really don't want you to go through the hassle of re-packaging your item  
and sending it back, because let's be honest...nobody has time for that.

# Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety check the tightness of all screws every 2 months.

For proper care and treatment, please check our website at [NathanJames.com/products](http://NathanJames.com/products)

## Safe use of this product starts with you.

Use this product responsibly with the primary concern for your safety. Follow assembly instructions carefully and inspect product upon receipt and each use.

Nathan James and its parent companies cannot be held legally responsible for any injuries or death resulted from failure to follow instructions or improper use of this product.

## Do not modify the structure of this product in any way.

Our products have been tested to meet specific safety measures as they were originally intended to be sold. Any modifications will present the risk of creating significant safety issues which NJ will not be responsible for.

## Proper use

<b>DO NOT</b>	use for commercial purposes
<b>DO NOT</b>	frolic on desk
<b>DO NOT</b>	use desk as foot stool
<b>DO NOT</b>	leave spilled liquid on desk
<b>DO NOT</b>	use desk if damaged
<b>DO NOT</b>	make temporary repairs
<b>DO NOT</b>	use outdoors

# We are only in business if you're happy
