IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over tighten screws and bolts to avoid stripping.
3. Please use hand tools to assemble this product.

Step 1

It's as easy as it looks! Secure the Legs (B) on all four corners of the Drawer Cabinet (A) by tightening the 1/4" x 2-3/16" Hex Button Head Bolt (1), 1/4" x 3/8" Spring Washer (2), and 1/4" x 3/4" Flat Washer (3) using the provided Allen Key (4).

Step 2

Secure the Handle (5)
to the drawer using two
M3.5*15MM Screws (6).

Step 3

Safety first! Let's get this nightstand secured to the wall. Mount the Plastic Bracket (8) to the wall using the provided Wall Anchors (9) or (13) and M4*50MM Screws (12). We recommend using a 5/16" drill bit.

IMPORTANT NOTE:

Non-Drywall Anchor (9) requires 1/4" Drill Bit
Drywall Anchor (13) requires 5/16" Drill Bit

Step 4

Secure the other Plastic Bracket (8) to the back of the nightstand using the M3.5*15MM Screws (10) and then secure the nightstand to the wall by looping the Plastic Tether (11) through both brackets.

Tether to the wall.

IMPORTANT NOTE:

Young children (and/or pets) can be seriously injured by tipping furniture units.

You must install the provided anti-tip kit hardware solution, as instructed, to prevent the furniture unit(s) from tipping over—which could possibly lead to injuries or damage.

The provided anti-tip kit hardware solution is intended only as an additional safety measure & deterrent; it is not a substitute for proper adult supervision.

The provided anti-tip kit hardware solution is not an earthquake restraint. If you wish to add the extra security of earthquake restraints, they must be purchased & installed separately.

How to use Drywall Anchors

1. Drill hole with 5/16" bit.

2. Pinch and insert.

3. Begin tightening.

4. Anchor is secure when screw is
tightened to 100%

No heartburn, when we handle the return

Give us a call **1-866-619-1004** or shoot us a message at **help@nathanjames.com** we will issue you a free replacement with **zero hassle**.

Replacement

You

We really don't want you to go through the hassle of re-packaging your item and sending it back, because let's be honest...nobody has time for that.

Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety check the tightness of all screws every 2 months.

For proper care and treatment, please check our website at NathanJames.com/products

Safe use of this product starts with you.

Use this product responsibly with the primary concern for your safety. Follow assembly instructions carefully and inspect product upon receipt and each use.

Nathan James and its parent companies cannot be held legally responsible for any injuries or death resulted from failure to follow instructions or improper use of this product.

Do not modify the structure of this product in any way.

Our products have been tested to meet specific safety measures as they were originally intended to be sold. Any modifications will present the risk of creating significant safety issues which NJ will not be responsible for.

Proper use

DO NOT	use for commercial purposes
DO NOT	frolic on nightstand
DO NOT	use nightstand as foot stool
DO NOT	leave spilled liquid on nightstand
DO NOT	use nightstand if damaged
DO NOT	make temporary repairs
DO NOT	use outdoors

We are only in business if you're happy
