The goods

IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over tighten screws and bolts to avoid stripping.
3. Please use hand tools to assemble this product. Do not use power tools.

Step 1

Let's begin! Attach the Bottom Frame (E) to the Right Frame Leg (C) using the M6 * 15mm Bolt (1) and the Allen Key (7). Pay close attention to the where it says "top", make sure this is facing upwards when the chair is on its legs.

Tighten screws to 90%.

Step 2

Set the chair upright on its legs. Attach the Left Frame Leg (D) to Bottom Frame (E) using the same method from Step 1.

Tighten screws to 90%.

Step 3

Now attach the Stretcher (F) using M6 * 40mm Bolt (2) and the Allen Key (7). Make sure the text "Front | Up" is facing towards you when you are standing in front of the chair.

Tighten screws to 75%.

Step 4

Time to attach the Seat (B). Grab the Flat Washer (5), Spring Washer (6), and M6 * 30mm Bolt (3), use these to secure the Seat (B) to the rest of the chair using the Allen Key (7).

Tighten screws to 75%.

Step 5

We're getting closer!
Attach the Back (A) to
the rest of the chair
using the M6 * 40mm
Bolt (2) and the Allen
key (7).

Tighten screws to 75%.

Step 6

Secure the Seat Back (A) to the Seat Cushion (B) by closing the gap, lining up the holes and then fastening the hardware into place. You will use a Flat Washer (5), Spring Washer (6), and M6 * 25mm Bolt (4).

Once ALL bolts are aligned, go ahead and Tighten them all to 100% (including those from Step 1).

Step 7

Finishing touches! Now secure all velcro components underneath the chair.

Step 8

Lastly, tighten on the floor protectors. You did it, have a seat, and enjoy the result of your hard work!

No heartburn, when we handle the return

Replacement

You

We really don't want you to go through the hassle of re-packaging your item
and sending it back, because let's be honest...nobody has time for that.

Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety check the tightness of all screws every 2 months.

For proper care and treatment, please check our website at NathanJames.com/products

Safe use of this product starts with you.

Use this product responsibly with the primary concern for your safety. Follow assembly instructions carefully and inspect product upon receipt and each use.

Nathan James and its parent companies cannot be held legally responsible for any injuries or death resulted from failure to follow instructions or improper use of this product.

Do not modify the structure of this product in any way.

Our products have been tested to meet specific safety measures as they were originally intended to be sold. Any modifications will present the risk of creating significant safety issues which NJ will not be responsible for.

Proper use

| | |
|---------------|------------------------------|
| DO NOT | use for commercial purposes |
| DO NOT | frolic on chair |
| DO NOT | use chair as foot stool |
| DO NOT | leave spilled liquid on seat |
| DO NOT | use chair if damaged |
| DO NOT | make temporary repairs |
| DO NOT | use outdoors |

We are only in business if you're happy

For starters, thanks for being you.
