Soul Sucker, the foulest of all the Reapers on Earth, feeds on the souls of innocent children. Capturing his young victim with unholy strength, he commands, "Look at me just as all the others have. Now that I have you, your soul will be mine FOREVER!" Then with a villainous laugh he lifts the child to his mouth and inhales her soul straight from her body. Her head drops and she is doomed to roam the world as the undead.
