IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

Notice:

1. Please unbox the item from the side with an open label and put a carpet on the floor to avoid scratching it.
2. Follow the installation instructions carefully. Before installation, please ensure that all accessories are present. For large items, we advise you to install them with 2 or more people for faster and safer installation.
3. Do not fully tighten the screws during initial assembly. Fully tighten the screws only once all pieces are correctly assembled. Do not use power tools.
4. Do not stand, climb, or swing on the product.
5. If you encounter any problems during installation, please contact our customer service.
