CUSHION COVER

HOW TO INSTALL THE CUSHION COVER ON THE FOAM

1. Bend the foam using both legs with the 'front' label facing forward, then cut the plastic wrap.
2. Slide the foam into the cover.
3. Remove/pull the plastic wrap from the foam.

Make sure the foam is perfectly installed before closing the zipper.

Attention: It takes about 24 hours after opening from the plastic wrap for the foam to fully expand.
