# The goods

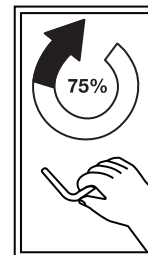

## IMPORTANT

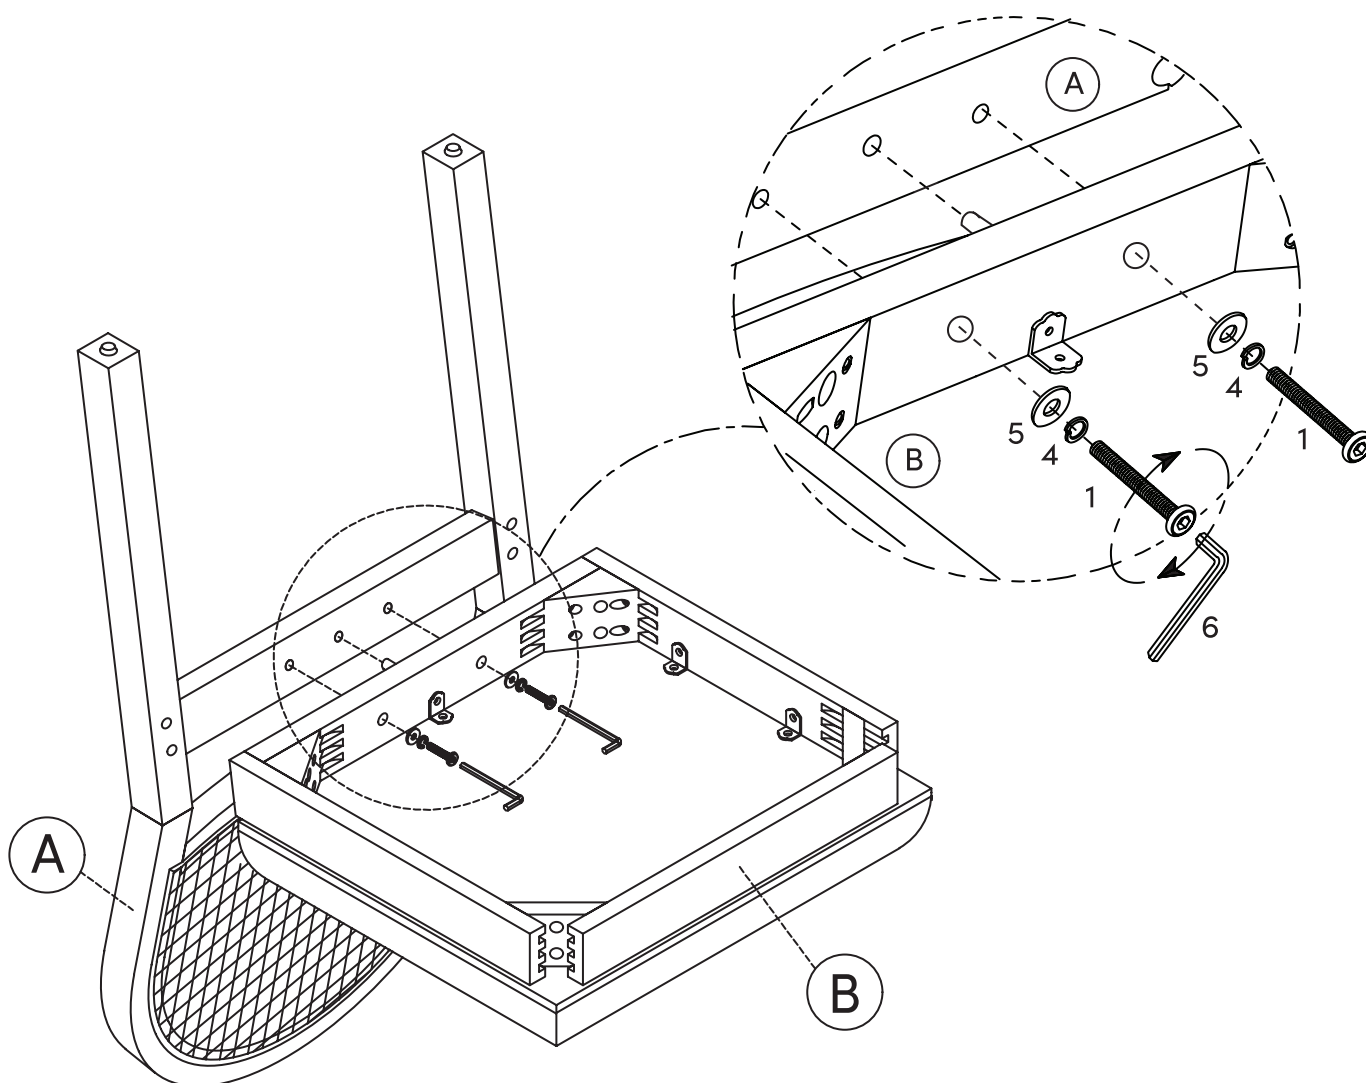

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over tighten screws and bolts to avoid stripping.
3. Please use hand tools to assemble this product.

# Step 1

Let's get this thing fired up! Begin securing the Chair Back (A) and Seat Cushion (B) together using two sets of the Flat Washer (5), Lock Washer (4), and Hex Button Head Bolt (1). Tighten to 75%!

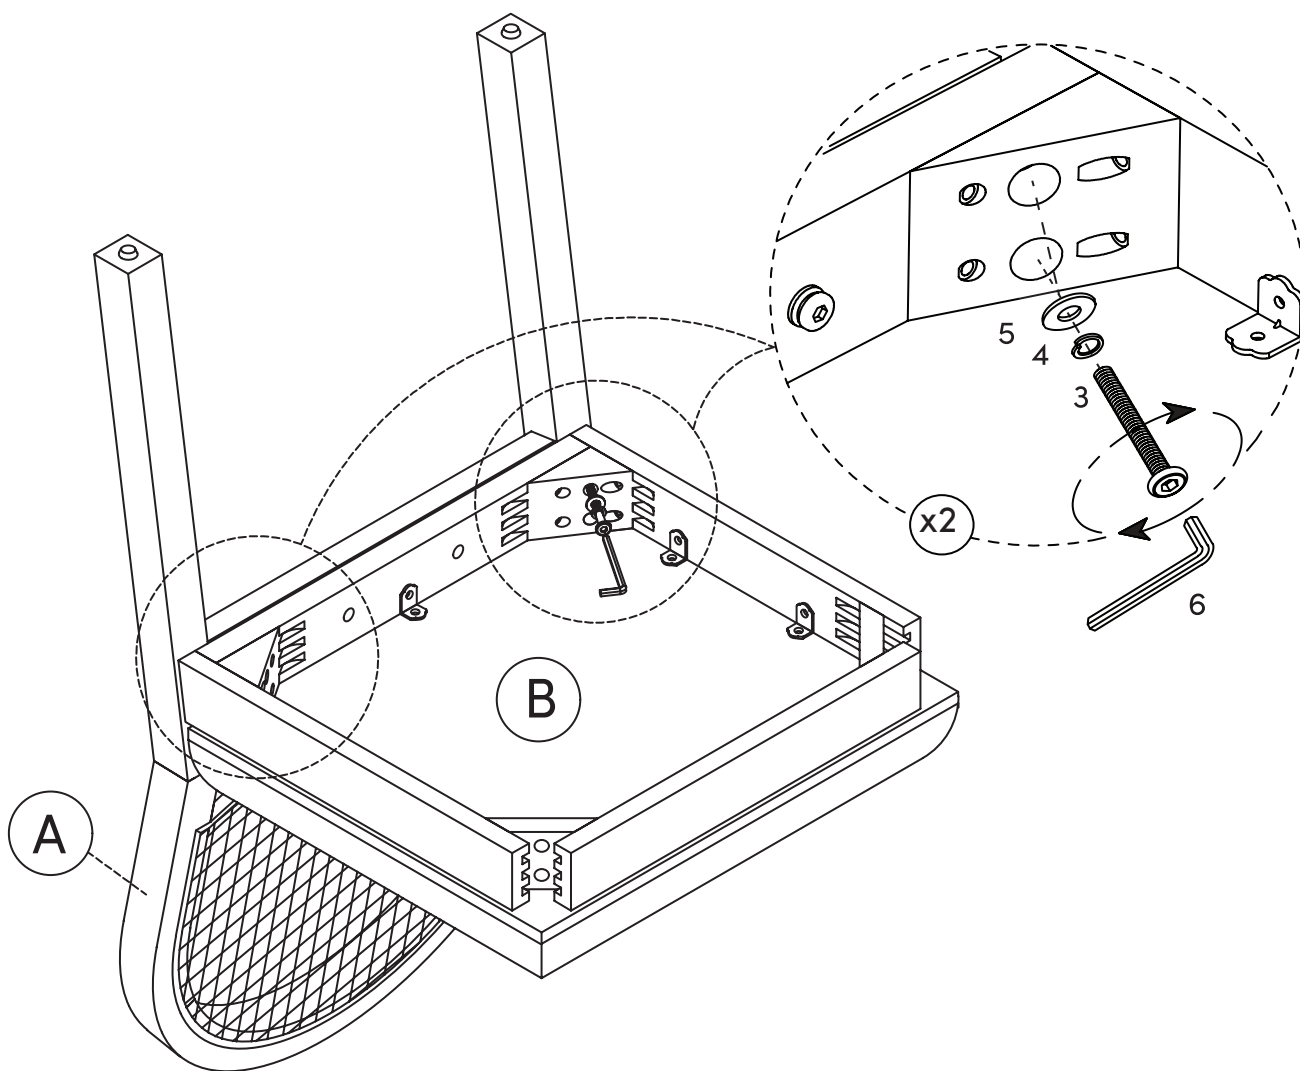

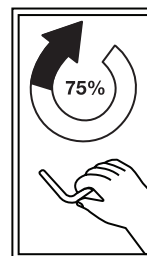

Do not overtighten hardware.  
Tighten to 75% for now.

# Step 2

Let's keep the momentum going! Use four sets of the Flat Washer (5), Lock Washer (4), and Hex Button Head Bolt (3) to finish securing the Seat Cushion (B) to the Chair Back (A).

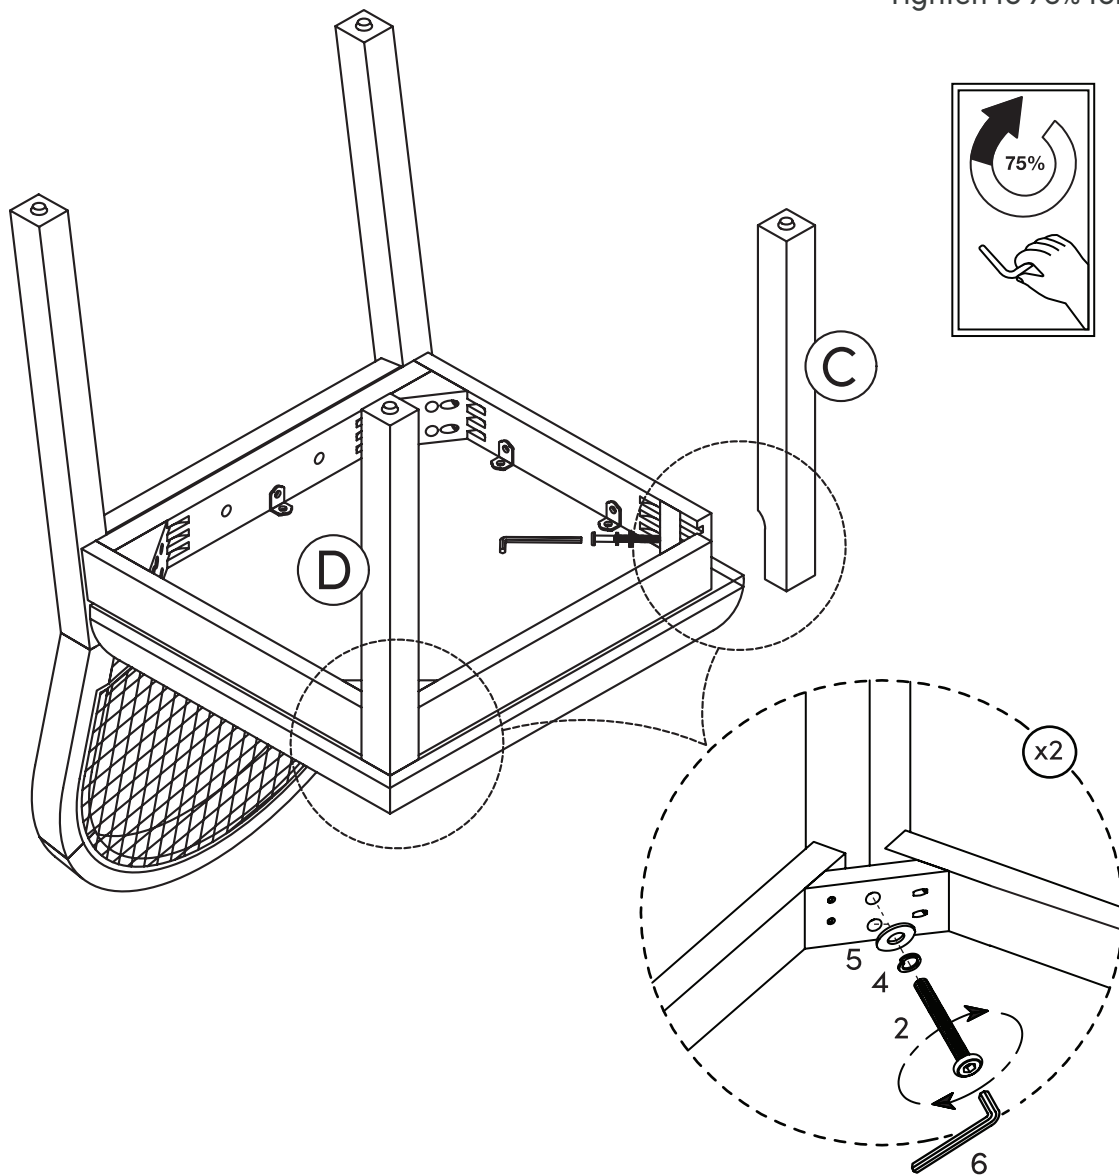

Do not overtighten hardware.  
Tighten to 75% for now.

# Step 3

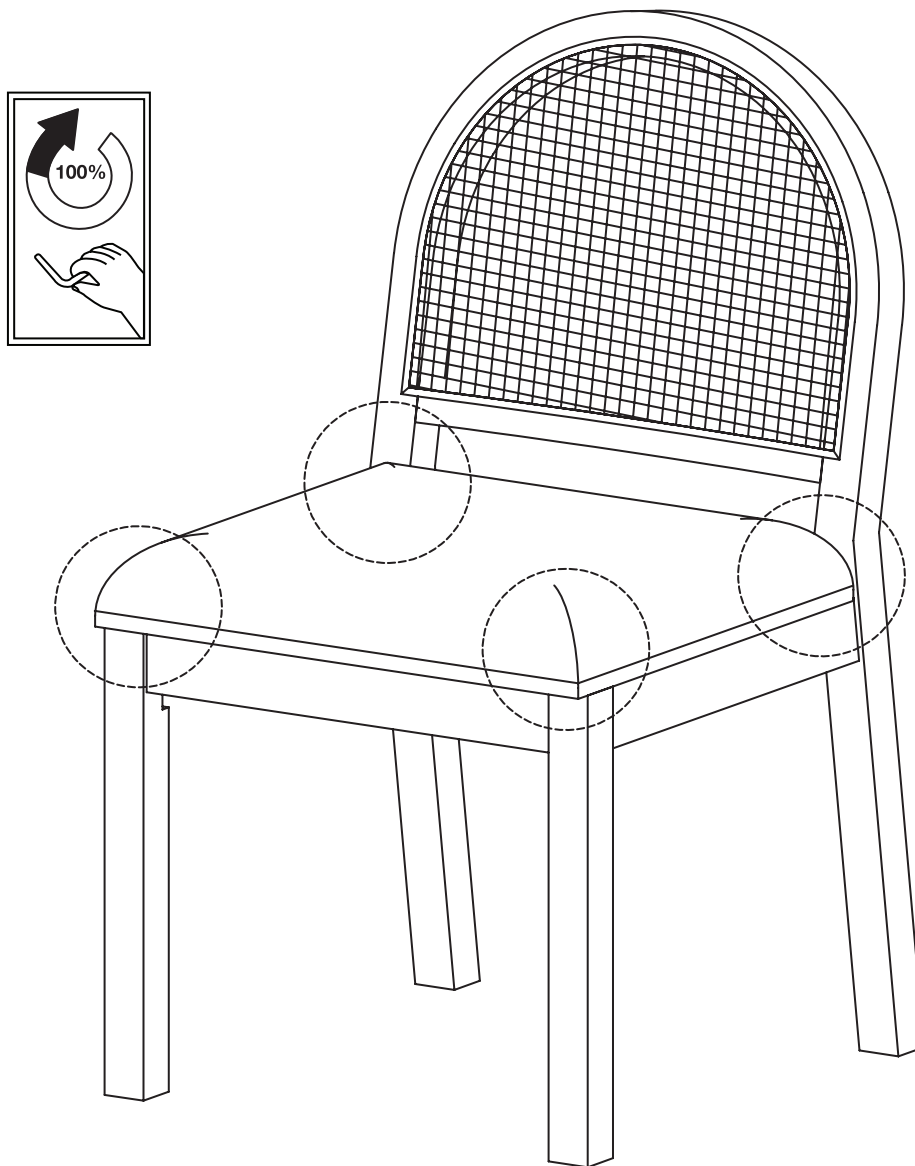

We told you this was going to be easy! Secure the Left Front Leg (C) and Right Front Leg (D) to the unit using two sets of the Flat Washer (5), Lock Washer (4), and Hex Button Head Bolt (2).

Do not overtighten hardware.  
Tighten to 75% for now.

# Step 4

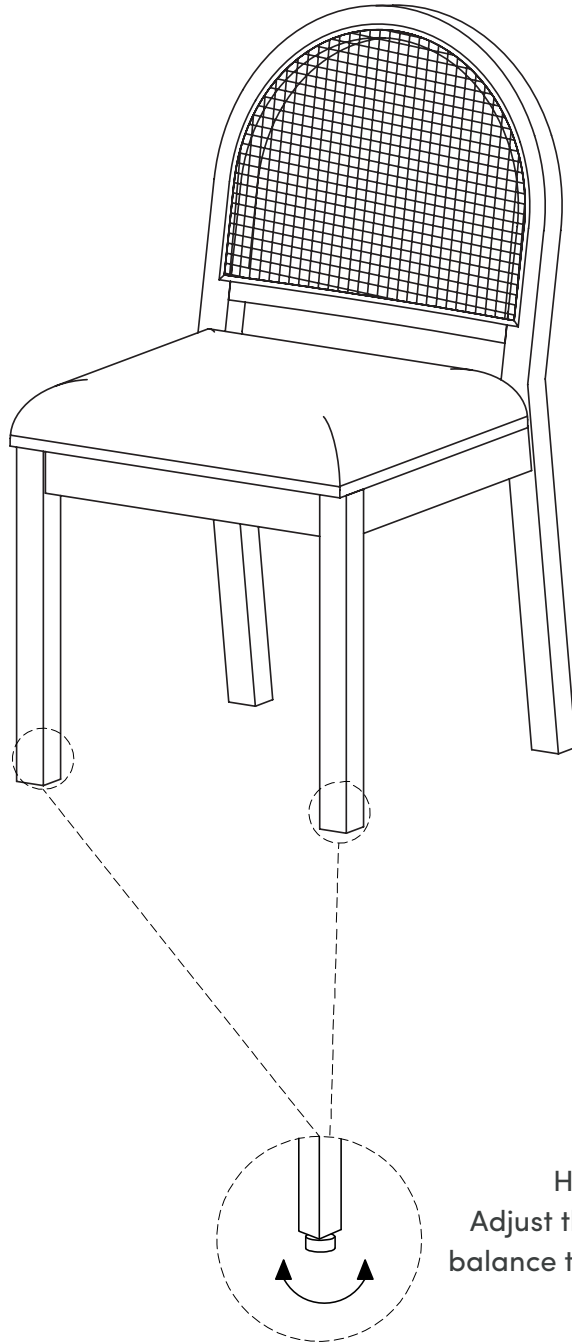

Now flip your chair over &  
tighten all fasteners to 100%!

We want your chair to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety check the tightness of all screws every 2 months.

# Step 5

Now go ahead and check that your chair is level. If it's looking a little unlevel, adjust the levelers on the feet until it's nice and level.

**HELPFUL TIP:**  
Adjust the levelers to help  
balance the stool, if need be.

# No heartburn, when we handle the return

Give us a call **1-866-619-1004** or shoot us a message at **help@nathanjames.com** we will issue you a free replacement with **zero hassle**.
