## **MAINTENANCE**

Wood is a living material that continues to respond to climate condition even after being made into a piece of furniture.

After assembly rub the furniture with soft rag to remove any residual dust. Wood is a natural material whose appearance will change when left outdoors. This product has been treated prior to leaving the factory. To clean, use mild soap and warm water. Do not use abrasive material, cleansers or bleach products, Dry thoroughly with soft cloth,

Even though this piece of furniture is extremely durable and long lasting, to prolong life we recommend bringing it indoors during freezing temperatures. Place it at a shaded area and do not leave it in standing water or on wet ground.

Do not put hot items directly on furniture surface.

Do not store furniture in areas that have central heating or cooling vents to prevent excessive drying of the wood. This will decrease the furniture's longevity.

Do not write on furniture without a padded barrier to protect the surface.

In order to maintain the product's durability, please read carefully.

**Do not leave your furniture in puddles of water or on wet ground.**

**Cover your furniture during winter months or move into covered storage, if in wet climates.**

**The manufacturer supports protection of the world's forest resources and is diligent in sourcing legally harvested wood.**

Thank you

The manufacturer
