

# Assembly Instruction

Please take out it for assembly hardware for assembly.

Note: Do not use power tools for assembly. Power tools increase the risk of over tightening which lead to splitting or cracking the wood.

## Component list

| No       | Drawing                                                                             | Qty      | Description              |
|----------|-------------------------------------------------------------------------------------|----------|--------------------------|

### Care Instruction for Polished Microfiber Furniture:

In order to maintain the original appearance of your Polished Microfiber Furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and or exposure to heating and air conditioning outlets will fade/damage Polished Microfiber .
- Vacuum or wipe with a soft cloth to remove dust.

For items use on wooden floor, hard surfaces or carpets, it is recommended to Install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
