HOOK

Please make sure all hardware&packing material fitting the list.
Especially some small accessories may be missing during transportation. Please contact us if you have any question.

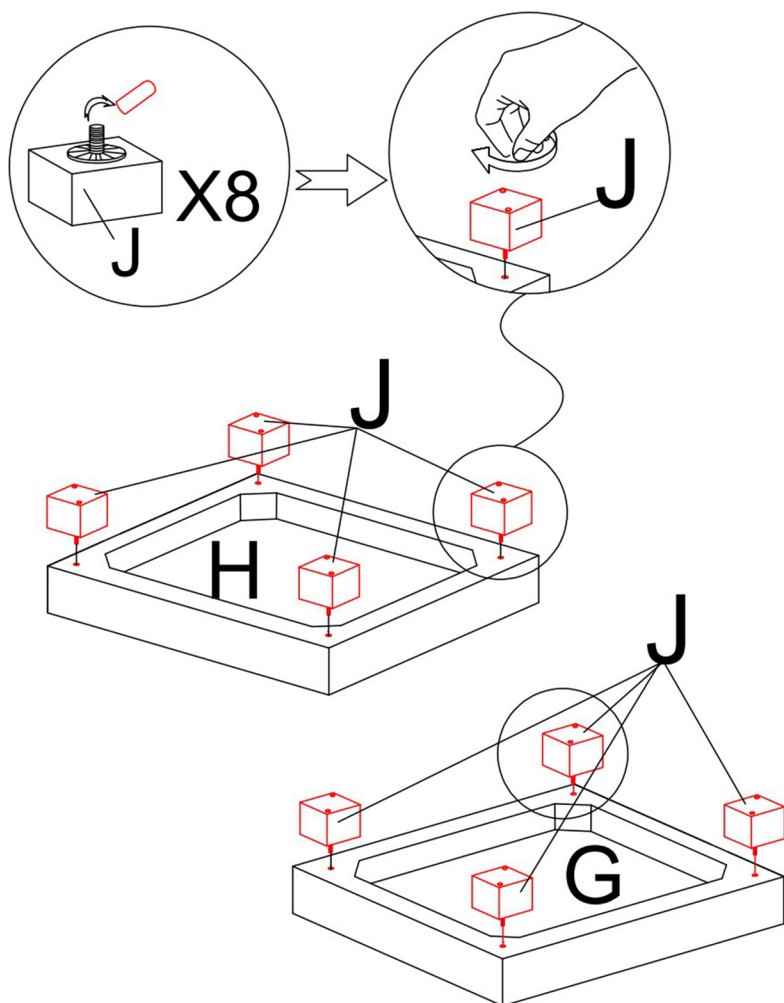

step 1

After taking out of the cushions (A & B) from the air compression bag, please allow it to recover for a period of time. It might take up to 48 hours to be fully recovered, you may gently slap onto the cushion to speed up the process.

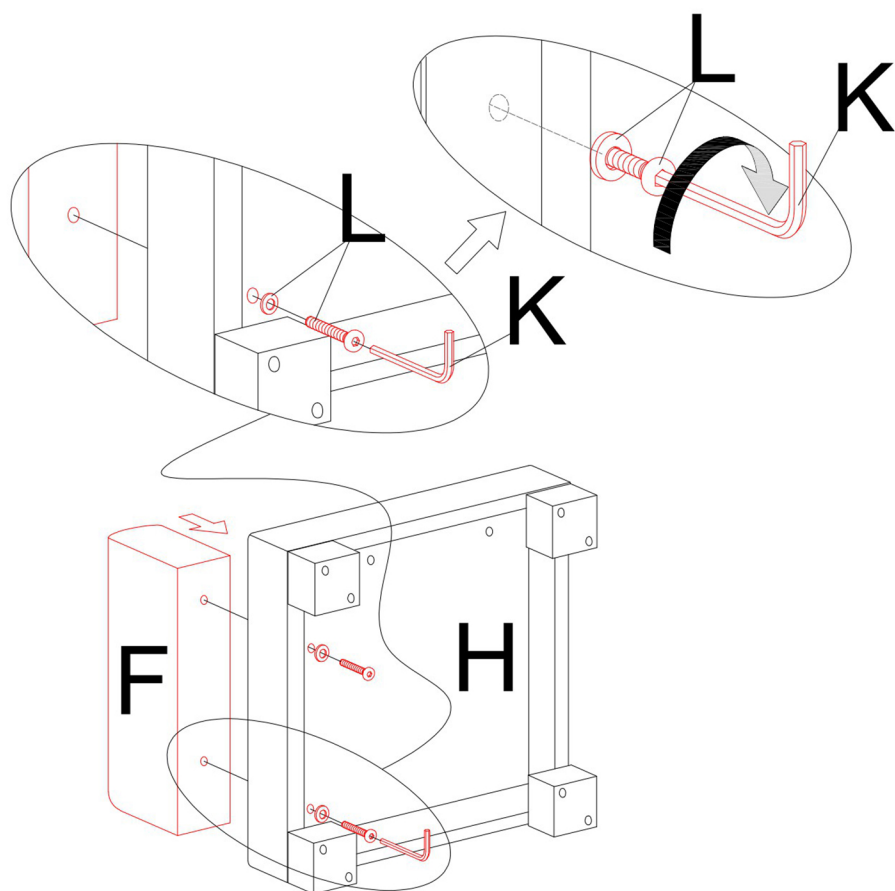

step 2

Take off the case, screw all four legs (J) into holes on each corner of sofa frames (G & H), tighten them with hands.

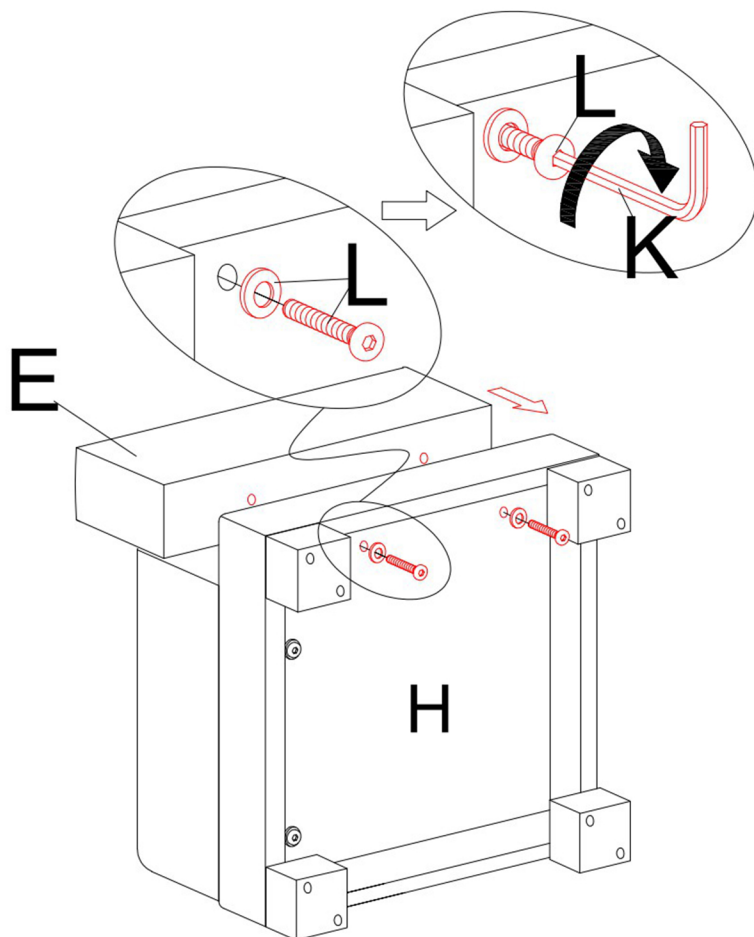

step 3

Place the backrest frame (F) on its side as shown, and put all two screws (L) into the predrilled holes. Align all two screw holes, then use the allen key (K) provided to tighten them.

step 4

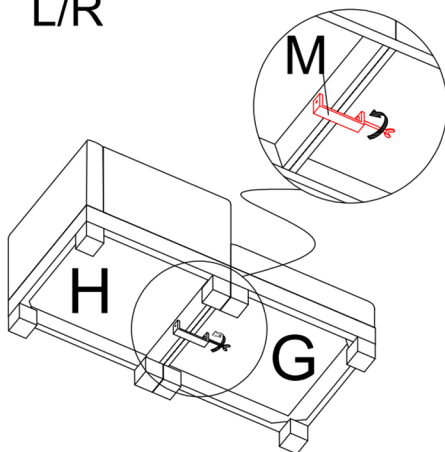

Then place the armrest (E) near the sofa frame (H) as shown. Align all two screw holes, then use the allen key (K) provided to tighten them.

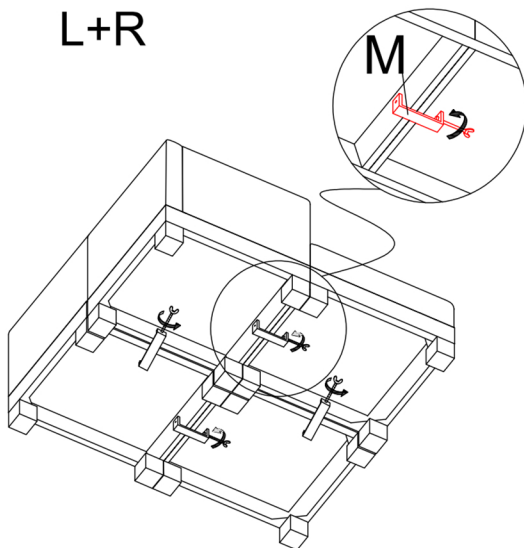

step 5

There is a metal buckle inside the carton as a free part.
If you only purchased single part of the sofa, this buckle will not be useful. If you want to be combined with other sofa components (ottoman, chair, chaise etc), this buckle can be used. Just use this buckle to fix two parts together from the bottom to prevent displacement while using the products.
