

Assembly Instructions- 28813 HALL TREE

FOR YOUR SAFETY, ASSEMBLY BY TWO OR MORE ADULTS IS STRONGLY RECOMMENDED

UPPER UNIT

LOWER UNIT

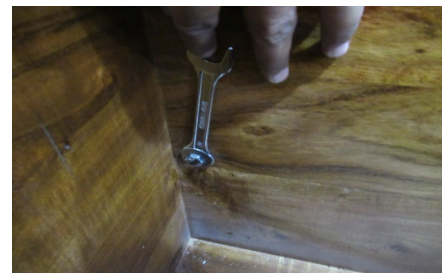

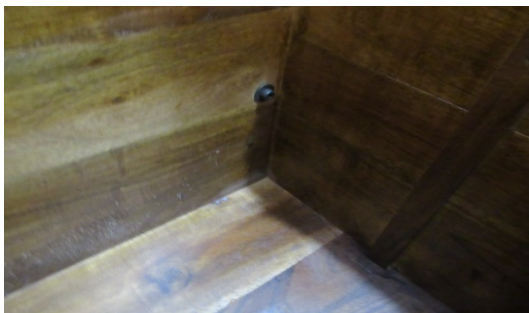

BOLTS -3

WASHER -3

SPANNER

- You will find one lower unit with two drawers and one upper unit with clock and 3 bolts, 3 washer and one spanner. Upper unit has 3 nuts fixed on base and lower unit has 3 hole on top.

- Carefully, pull both drawers out from lower unit, lay both the lower unit and upper unit back down, match the nut fixed in base of upper unit with the hole on top of lower unit, insert the bolt thru the holes from underneath, then, tighten the bolts with the help of spanner provided. Carefully straighten the unit up, insert the drawers in their places.

- Your HALL TREE is now ready to use.
