

USER'S MANUAL

SHANKS SERIES PATIO STOOLS & BAR CHAIRS

Guide of Manual

- Thanks for your choice. **We will do our best to provide customer service for everyone.**
- Please check to make sure all parts are included as stated when you unpack. If there are parts missing or wrong, please contact us, **we will expeditiously provide reissue accessories, compensation or other services.**
- Instruction should be read carefully. But the manual may not cover every detail of all possible situations and steps. **Please contact us if further information and help are needed. We will respond in a timely manner.**
- **Please be patient that the other items are on the way if you buy more than one product.**

Warning

- It's kindly advised to assemble this product on a carpeted floor to protect it from being scratched.
- Small parts are included. Please keep the product away from children while assembling. Do not let children play or jump on the product. Do not stand on the item or use as a step ladder.
- Please pay attention to the sharp corners during assembly. We recommend the use of gloves to prevent the undesired injury.
- Prior to use, please check to see if there's any loosening screw or part. Make sure that each screw and part is correctly installed and securely fastened.
- It's unnecessary to use electric drill. Please at a low gear if you need.

Care and Maintenance

- Brush off loose dirt and debris with a soft brush or cloth.
- Clean the stains of the product with a solution of mild soap or detergent mixed with water, avoid harsh chemicals.
- After cleaning or exposure to rain, allow the product to dry complete.
- Periodically (every 90 days) make sure the screws are fully tightened.

Further Advice about the Furniture Care

- Aluminum is naturally rust-resistant, but if you notice any scratches or chips in the protective finish, touch them up promptly with an appropriate paint or finish to prevent oxidation.
- Olefin braiding is UV-resistant, consider using covers or storing the product in a shaded area when not in use.

Material

- Aluminum and Olefin

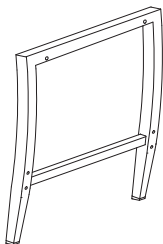

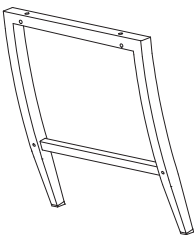

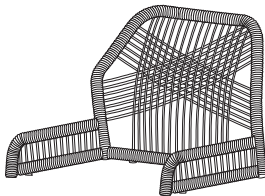

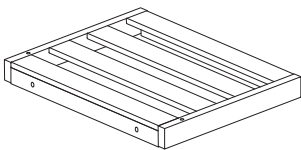

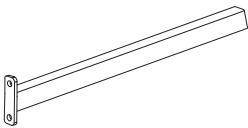

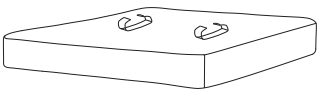

Max Weight Capacity

- 300 lbs [Do not stand on the item]

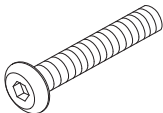

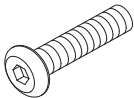

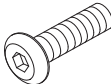

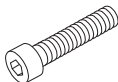

Parts and Hardware List:

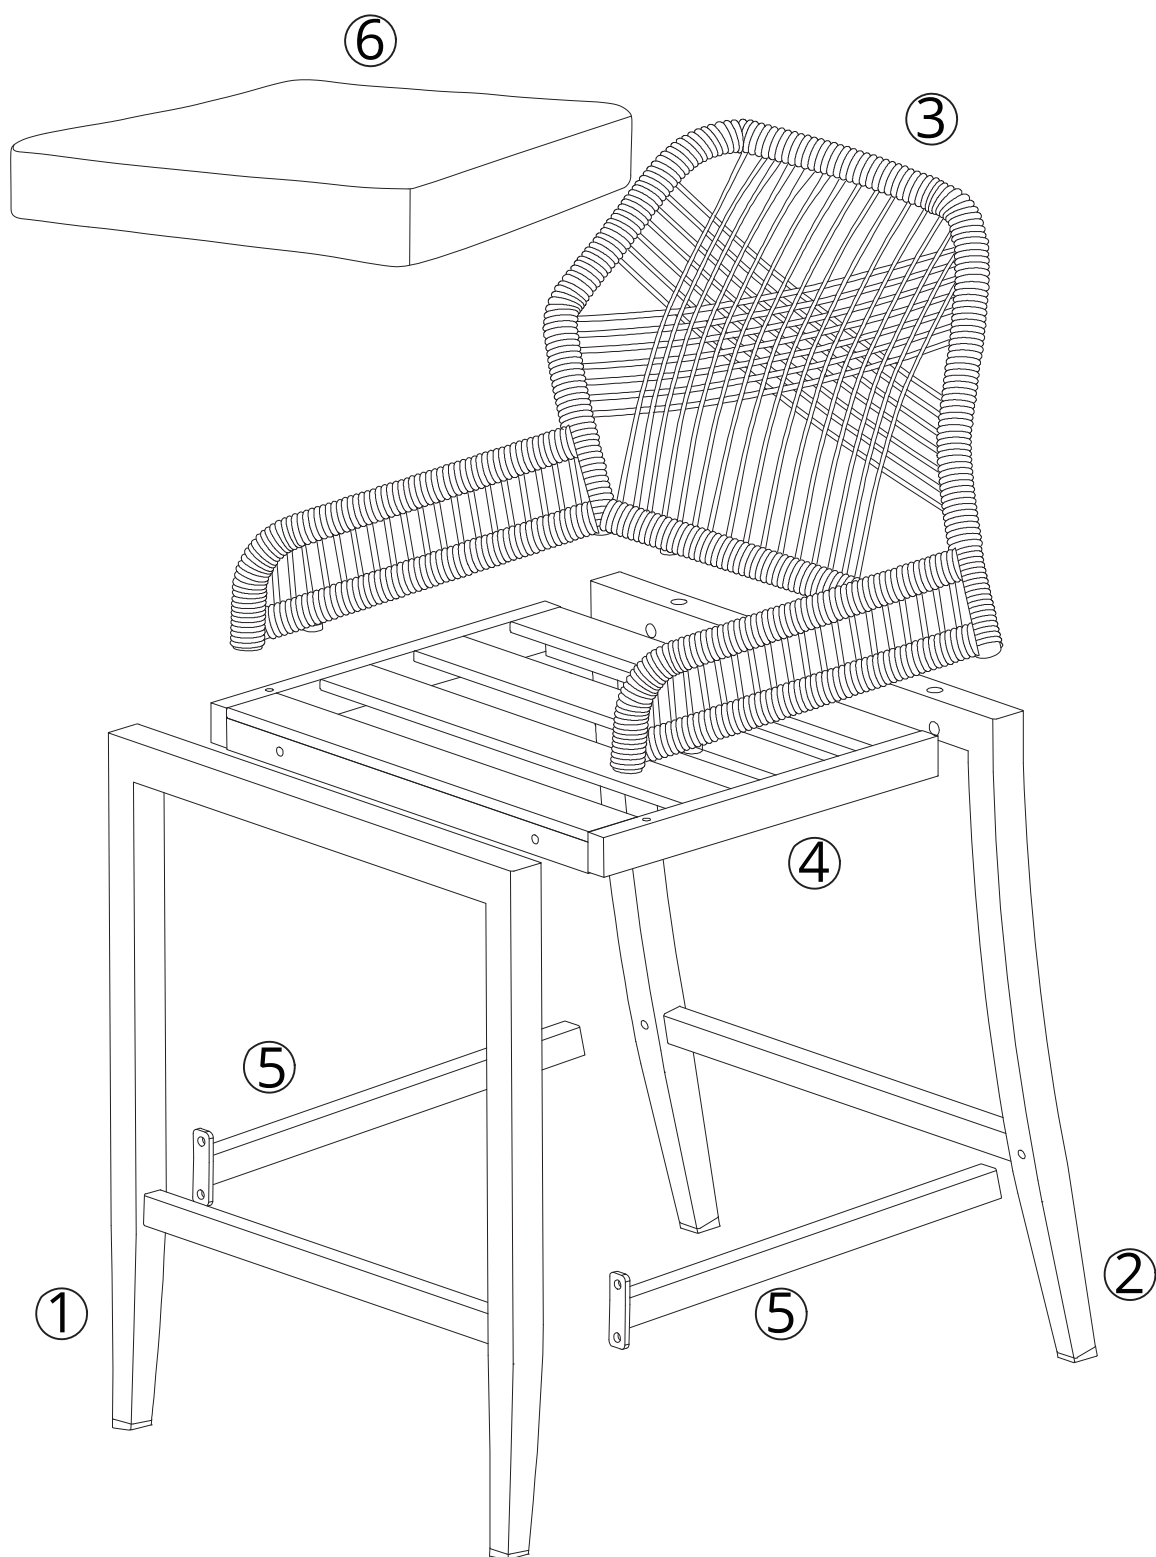

- Make sure all parts are in the package.
