### Care Instruction for Corduroy Furniture:

In order to maintain the original appearance of your corduroy Furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and or exposure to heating and air conditioning outlets will fade/damage corduroy.
- Vacuum or wipe with a soft cloth to remove dust. Hardware may loosen over time.

Periodically check to make sure all connection are tight, Re-tighten if necessary.

For items use on wooden floor, hard surfaces or carpets, it is recommended to Install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
