Chandelier Installation and Safety Standards

The installation of a chandelier is a crucial step in ensuring its safety. Chandelier safety standards dictate the process of installation, including the tools and equipment that can be used, the methods of securing the chandelier, and the location of the chandelier.

Securing the chandelier is a crucial step in the installation process. Chandelier safety standards dictate that the chandelier must be securely attached to a suitable support, such as a ceiling joist, to prevent it from falling. This includes ensuring that the support is strong enough to bear the weight of the chandelier, and that the chandelier is properly balanced to prevent it from tipping or swaying.

Furthermore, the chandelier must be secured using suitable hardware, such as screws or bolts, that are strong enough to bear its weight. The hardware must be properly installed and tightened to ensure that the chandelier is securely attached. Regular inspections of the hardware are also necessary to detect and repair any damage or wear promptly.

Accessory List:

2pcs

4pcs

2+2pcs

A. main lamp stand-1+1pcs

B. canopy-1pcs

C. Ring lock buckle-2pcs

D. round rod-4pcs

E. round rod-8pcs

F. round rod-4pcs

G. crystal -60+2pcs

H. light source-60+2pcs

I. Clamping wrench-2pcs

①Lamp body assembly:

1. Find the lamp body from the sorting list.
2. Assemble lamp body A according to the diagram and connect the assembly plug.
3. Twist off the round ring clip on the lamp body, assemble the G crystals according to the diagram, and tighten the round ring clip (as shown in the diagram).
4. Insert the 60 G4 light bulbs into the lamp holder.
5. Pass the power cord through the round tube and twist the tube into the lamp body. Use the lock clip to connect the tube to the ceiling plate, and insert the power cord into the ceiling plate.

②Lamp body assembly:

1. Remove the mounting plate and attach it to the wall.
2. Connect the main power wire to the lamp's main wire, and tighten the ceiling plate.
3. Installation complete.
