Allen Key

Please make sure all hardware&packing material fitting the list.
Especially some small accessories may be missing during transportation. Please contact us if you have any question.

step 1

Push seat cushion (C) down to the seat frame (B) as shown.

step 2

Install Left backrest ear (D) and Right backrest ear (E) onto the backrest (A) by inserting the connectors into the slots on both sides. Make sure they are all aligned before push down.

step 3

Fix the backrest ears (D & E) by using the bolts (2) and allen wrench (3) provided. Make sure both of the ears are tightened before next step.

step 4

Attach backrest part with the seat frame (B) by inserting the slots on both sides as shown, make sure both sides are aligned before fully pushing down.

step 5

Install front legs (F) and back legs (G & H) onto the back of the seat frame (B). Using the allen wrench (3) provided to tighten the bolts (1) for the legs.

step 6

The back legs (G & H) has height adjustment function, simply twist the leveler on the tips of the back legs to adjust. This function allows the chair to be able to place on ground that is not flat without shaking, and also they can protect the chair legs.

step 7

Congradulations! You have complete the installation! Please enjoy the chair, and thank you again for choosing our product!
