

# SEMI AUTOMATIC ESPRESSO MACHINE WITH BURR GRINDER

- Durable and built-to-last metal-clad construction offers beauty, precision and years of quality and reliability, backed by a 2 year warranty
- Get the right grind without the guesswork - smart dosing technology eases preparation by producing the ideal volume and consistency for 1 or 2 shots of espresso at the push of a button
- 58mm flat base, commercial-grade easy-tamp portafilter is designed with recessed spouts to enable a flat base for easier, more stable tamping on a flat surface vs. a traditional residential espresso portafilter, resulting in consistent, optimal flavor
- Multi-angle steam wand to easily position to the perfect angle in your milk pitcher to create rich foam or steamed milk bases for a variety of drinks at home
- Fast-heating technology delivers the ideal brewing temperature of the water without the wait
- Stay notified of when it's time to run a cleaning cycle with the "clean me" notification so you can keep the machine performing at its best
