

your global source for unique lighting + home decor

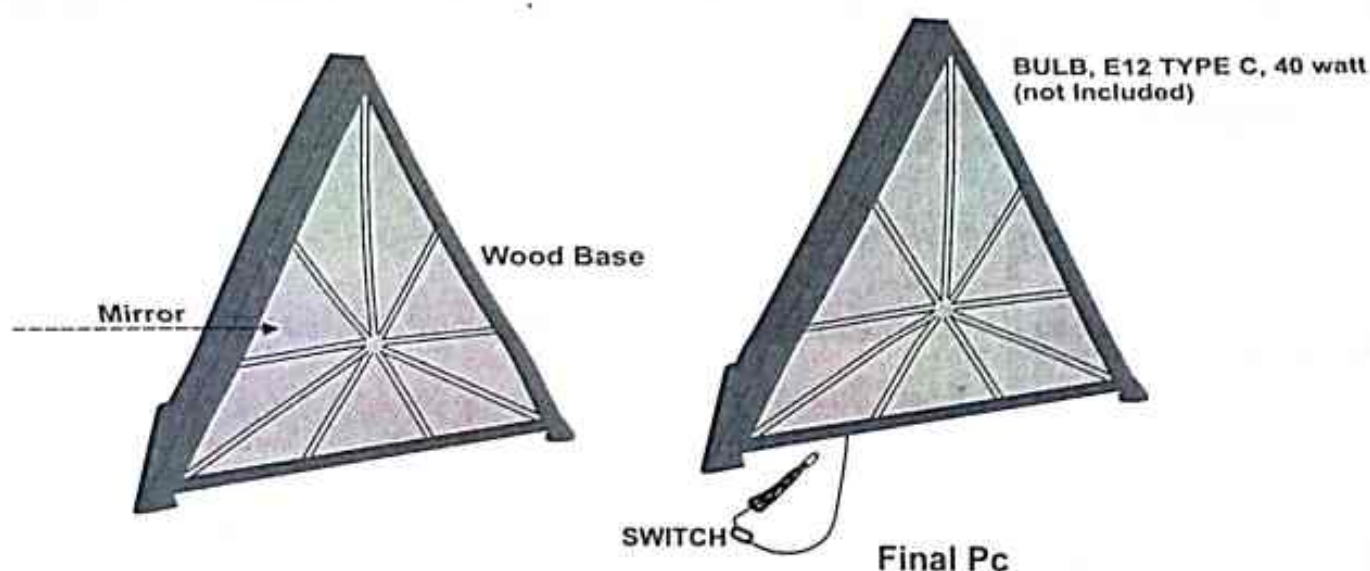

## INSTRUCTIONS : 20774

1. Install the bulb (not included).

**⚠CAUTION** - Refer to the wattage caution label located under the product lid for the maximum wattage-do not exceed the wattage.

**⚠WARNING** - Do not attempt to replace the bulb while the lamp is plugged into a wall receptacle.

2. Insert the polarized plug into a wall receptacle and use the switch to turn on or off the lamp

### HANDMADE

There might be slight product variations in color, design and finishing. These are true reflections of their handmade nature and make each piece unique.

To care for your item, dust lightly with a dry cloth. Do not use chemical cleaners.

## IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.
