This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

- 1** Remove the protective panels from the Table Top (A) using a screwdriver (not provided).

- 2** Place the Table Top (A) upside down on a floor with a piece of cloth or carpet underneath to prevent from scratching. Attach the Table Leg (B) to the Table Top (A) using Flat Washer (C), Lock Washer (D) and Hex Nut (E) with the Wrench (F). Do not fully tighten until all hardware is attached.

#### Cleaning & Care :

Treat surfaces with care. Surfaces are resistant to scratches but are not scratch resistant. Clean surfaces with a dry or damp soft cloth. Do not use abrasive cleaners. Hardware may loosen over time. Periodically check that all connections are tight.

This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

- 
- This diagram illustrates the assembly of a rectangular frame. The main components are labeled as follows:
- A**: The front panel, shown as a rectangular frame with four corner joints.
  - B**: A small rectangular piece, likely a corner reinforcement or spacer, shown at the bottom right corner of the frame.
  - C**: Two long, thin rectangular strips, likely side rails or dividers, shown above the frame.
  - D**: A small circular component, possibly a washer or a small disc, shown in the inset.
  - E**: A small circular component, possibly a washer or a small disc, shown in the inset.
  - F**: A small rectangular piece, likely a corner reinforcement or spacer, shown at the top right corner of the frame.
  - G**: A small rectangular piece, likely a corner reinforcement or spacer, shown at the top left corner of the frame.
  - H**: A small rectangular piece, likely a corner reinforcement or spacer, shown at the bottom left corner of the frame.
  - I**: A small rectangular piece, likely a corner reinforcement or spacer, shown at the top right corner of the frame.
  - J**: A small rectangular piece, likely a corner reinforcement or spacer, shown at the bottom left corner of the frame.
- The inset shows a detailed view of the corner joint assembly, highlighting the interaction between components D, E, G, and H. Dashed lines indicate the alignment and assembly path for these components.

- 2** Put Chair Back (A) on a smooth flat surface, attach the Seat (B) to the Chair Back (A) using Bolt (F) & Bolt (H), Lock Washer (D), Flat Washer (E) in both holes of Seat (B) and Chair Back (A). Turn the Allen Key (I) in Bolt (F) & Bolt (G).
