# ASSEMBLY INSTRUCTIONS

## step1

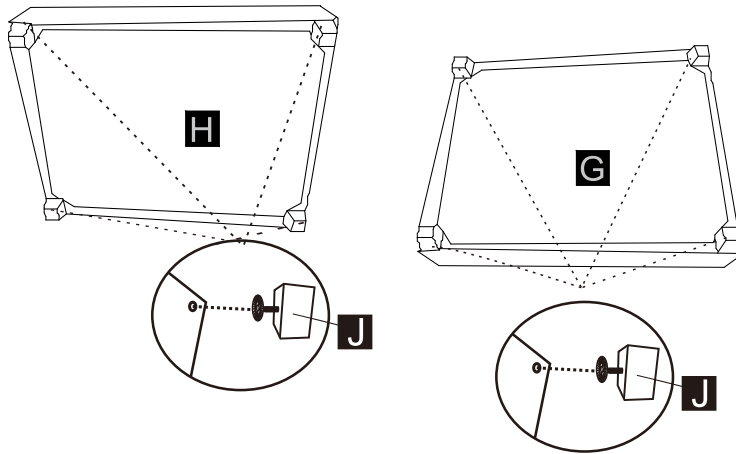

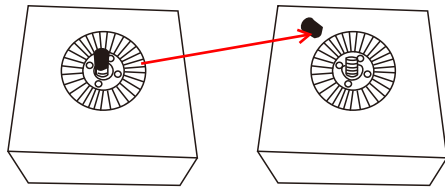

After taking out the cushion(A and B) from the air compression bag, please allow it to recover to original shape. It might take about 24 hours to recover. You may gently flap the cushion to speed up the process.

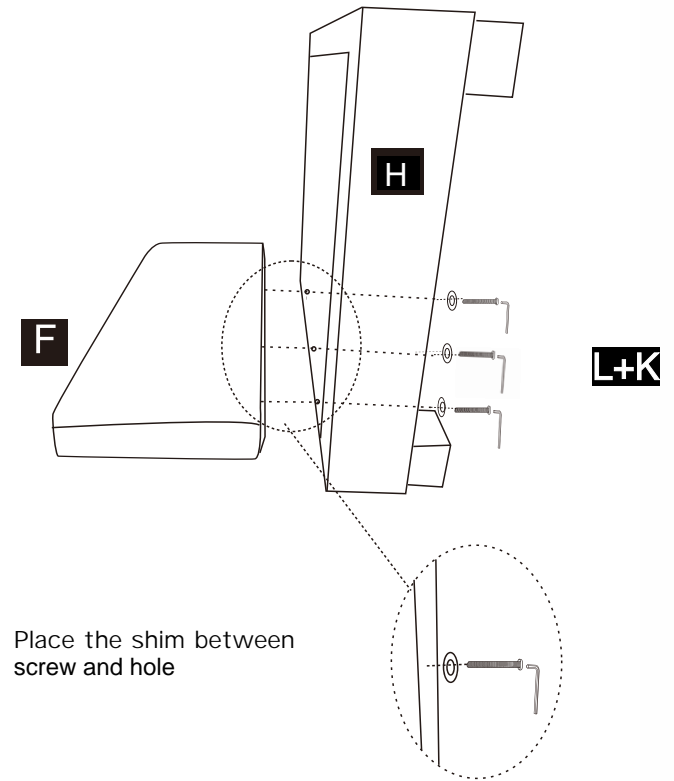

\*Remember to take both A and B cushions out

## step2

Remove plastic covers from the top screws of ALL sofa legs

Place the wood frames(G and H) along the side as shown, and take out sofa foot(J), align the foot to each corner of the frame as shown, and gently rotate clockwise to install the wooden foot.

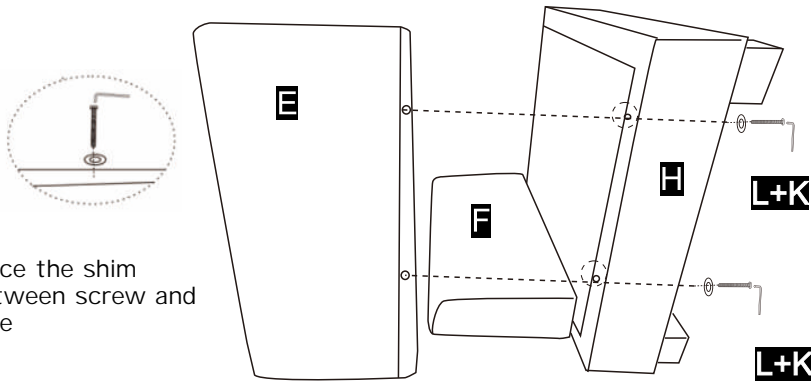

Place the shim between screw and hole

Place the frame(H) on the side as shown, and align the backrest(F) to the face of sofa frame with THREE screw holes. Make sure all three hole are aligned, then use the tools provided(Allen Key, K) to twist one screw to each hole. Twist in all four screws by 30%, make sure all the screws are able to twist, then tighten them.

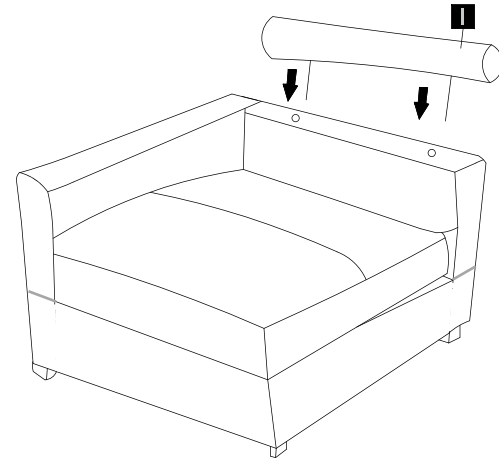

## step4

After step 3, turn the sofa frame(H) to the other side as shown, start to assemble armrest(E). Align the two holes on backrests to the sofa frame, and then tighten the screws use Allen Key(K). DO NOT tighten the screws until both screws are twisted in.

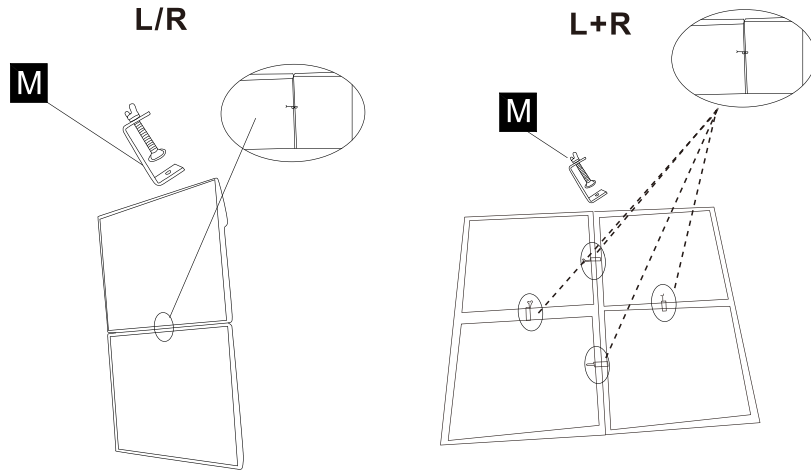

## step5

Place the headrest(I) to the top of the backrest(F) as shown, align both rods into the holes on backrest . Make sure the headrest face to the front. There are three level adjustment for the headrest.

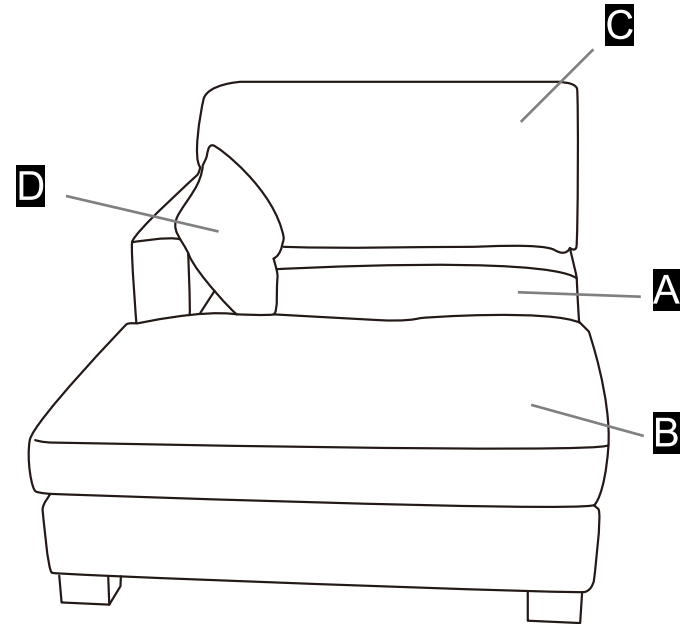

## step6

There will be two hooks(J) inside the parts bag  
If you purchased a single sided sofa, please ignore this message.

If you purchased the armchair or sofa sets and want to connect them together, please do this before step 5  
Place the all the frames upside down, and align two frames next to each other and try to keep them close, then use the metal hook(J) from the parts, place it between both frames at around center point as shown, and then tighten the hook. Tighten the hooks firmly before flip it over to the next steps. Repeat this step until all the frames are connected.

## step7

Place cushions(A and B and C and D) onto your sofa,  
and clean up the mess, you will be good to go.  
Congratulations! You have finished the installation!
