

your global source for unique lighting + home decor

ASSEMBLY INSTRUCTIONS

1. Carefully layout all parts in a line on a smooth surface.
2. Remove the Shade Nut from the Socket.
3. Place the Shade over the Socket (the hole at the top of the Shade should slide over the Socket). While holding the Shade in place with one hand (from the inside of the Shade), thread the Shade Nut onto the Socket, with the other hand, until securely in place.
4. Install bulb(s) (not included).

CAUTION - Refer to the wattage caution label located on the bottom of Base for the maximum wattage-do not exceed the wattage.

WARNING - Do not attempt to replace the bulb while the lamp is plugged into a wall receptacle.

WARNING: This product can expose you to chemicals including Lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

MADE IN CHINA

- Note:**
1. This stained glass product has been protected with mineral oil as part of the finishing process. Please use a soft dry cloth to remove any excess oil.
 2. The above diagram illustrates the installation of your new luminaire. This is a representative drawing and is not intended to match the style of your luminaire.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.
