

# Assembly Instructions

**Caution : You must read this before you proceed**

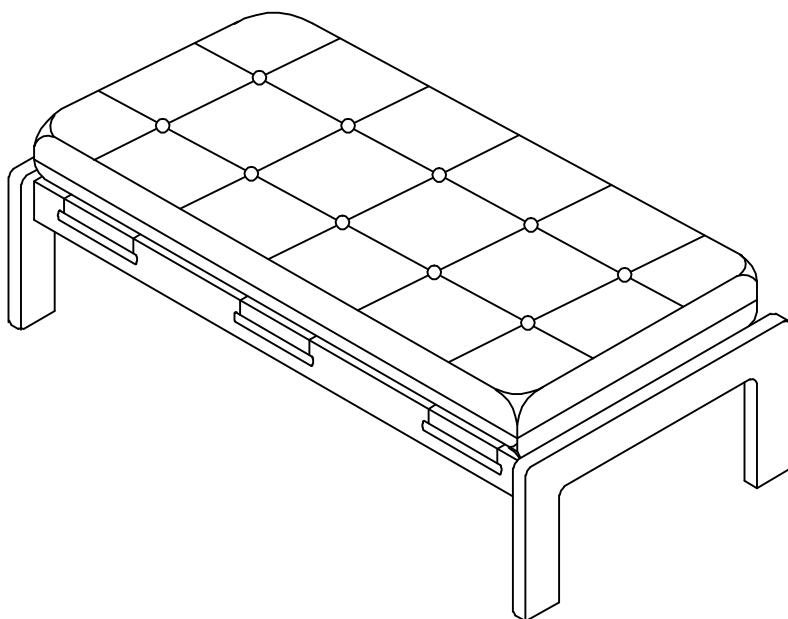

## Care & Maintenance

- 🚫 
  - Not for commercial use. For residential use only.
- ✓ 
  - Furniture may scratch floors. We recommend using furniture pads to protect your floors.
- 🚫 
  - Do not put hot items directly on furniture surface.
- 🚫 
  - Do not clean furniture with harsh cleansers or polish.
- 🚫 
  - Do not place furniture under direct sunlight.
- 🚫 
  - Do not place furniture near heating or cooling vents.
- 🚫 
  - Do not write on furniture without a padded barrier to protect the surface.
- 🚫 
  - Do not place furniture outside . For indoor use only.
- 🚫 
  - Stains may be removed with mild soap solution and damp cloth.
- 🚫 
  - Children should not climb or jump on the furniture.
- ✓ 
  - Dust and pick-up spills using a clean, non-colored, lint-free cloth.

Please look in Seat frame for hardware packs and legs.

Sets often ship in multiple boxes and may arrive a day or two apart.

# Ottoman

## Parts List

Label	Picture	Description	QTY
A	A technical line drawing of the top surface of the ottoman, showing the diamond-quilted pattern and the internal frame structure.	Ottoman	1
B	A technical line drawing of a single ottoman leg, showing its L-shaped profile and flared base.	Leg	2

## Hardware

Label	Picture	Description	QTY
①		5mm Allen Wrench	1
②		Bolt (M8*43mm)	9
③		Spring Washer (M8)	9
④		Flat Washer (M8)	9

## Assembly Preparation

Before Beginning Assembly:

② x9

③ x9

④ x9

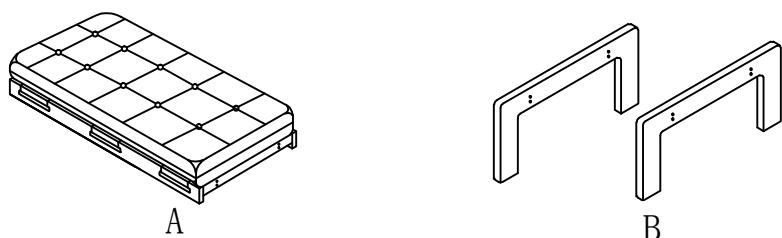

-  Read instructions, cover to cover-
-  Have 2 adults on hand for assembly-
-  Do not assemble on flooring or carpet-
-  Assemble on a clean non-marring surface (packing foam)-
-  Save all packaging until finished-

## Assembly Steps

The diagram illustrates the components of the ottoman. It shows a top-down view of the ottoman's top surface, which features a diamond-quilted pattern. The top surface is labeled 'Ottoman (A)'. Three legs, labeled 'Leg (B)', are shown supporting the ottoman. A large black arrow points to the left, with the text 'FRONT FACING' written below it, indicating the orientation of the ottoman.

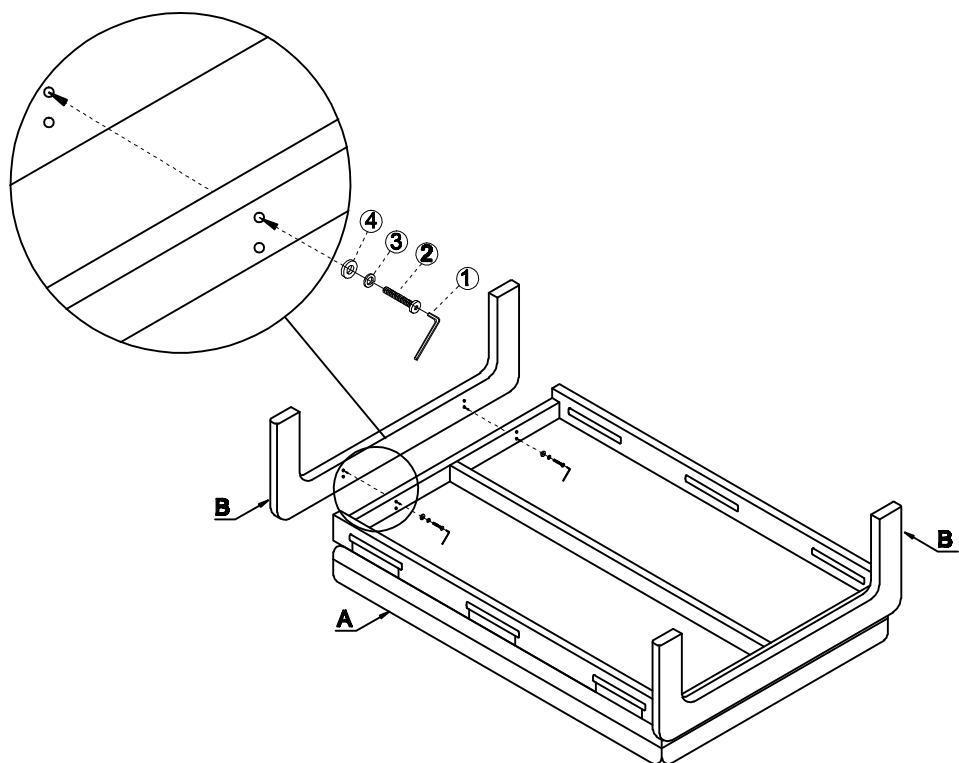

This Ottoman has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Ottoman parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly

### Step 1

Take out the Ottoman(A) and legs(B).

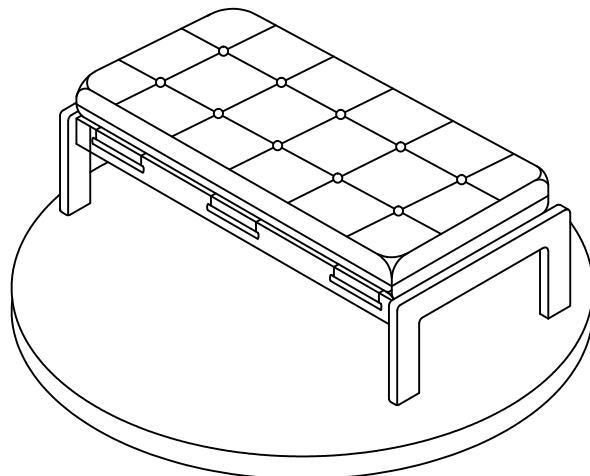

### Step 2

You will now have the Ottoman(A) bottom and the Legs(B) facing upwards. Insert the Legs(B) completely vertical into the seat frame corner then attach them using Bolts (②)+ Spring Washers(③)+Flat Washers(④)and the Allen Wrench(①).

**At this point in the assembly.DO NOT fully tighten the connections.**

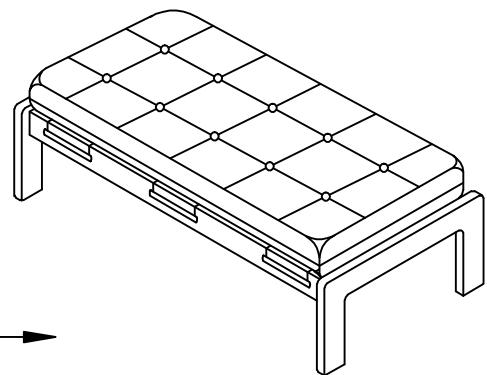

### Step 3

**Test again**

**If wobble**

**30cm~50cm**

Place the Ottoman on a level Surface to check for wobbles.

If it wobbles, lift the Ottoman some 30cm to 50cm height from the ground.

Keep your feet and toes well away from the drop zone.

Drop Ottoman freely and vertically, with all Bottom hitting the ground at the same time.

This Drop Test will help to ensure that all Bolts and gaps reach full alignment status.

Test again for evenness on a Level Surface.

If no wobbles are found, proceed to tighten all the Bolts.

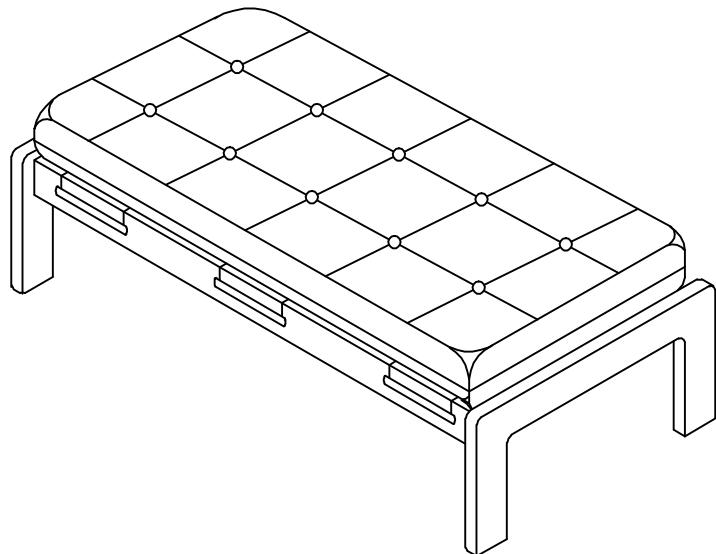

When tightening the Bolts, tighten sequentially.

DO NOT tighten any Bolts fully and then towards the next one.

This may cause the frame to warp.

If there is still wobbles, loosen the Bolts and execute this same drop test.

## Step 4

Your Ottoman is ready for use.

This Ottoman can only be used on a flat, level surface.
