

Assembly Guide

Tip!

DO check for all the components and screws listed in this guide before putting things together. If any part is missing, contact us at eu-support@vecelo.com for the missing part.

Return Policy

Your satisfaction is our top priority. If our product fails to satisfy you, please let us know how we can make things right for you. Our trained customer care team can handle most concerns and assist you with any questions you may have. Simply shoot them a message at support@vecelo.com with your order number and question. To be eligible for a full-refund return, the item must be in pristine condition, in the original packaging, with all of the shipped components intact and not yet assembled, and with the item's unique proof of purchase.

Trouble shooting:

CAUTION!

Item Description: Twin Bunk Bed
Model NO: RB-NO.1

#Number System

Follow the marked steps for the easiest assembling process
step 1 step 2 step 3 step 4...

Safety Warning

1. Always use the recommended size mattress or/and mattress support to help prevent the likelihood of entrapment or falls.
2. Surface of mattress must be at least 5 inches below the upper edge of guardrails.
3. Do not allow children less than 6 years of age to use the bed.
4. Periodically check and ensure that the guardrail, ladder, and other components are in their proper position, free from damage and that all connectors are tight.
5. Prohibit horseplay on or under the bed and prohibit jumping on the bed.
6. Always use the ladder for entering and leaving the bed.
7. Always use guardrails on both long sides of the bed.
8. If the loft bed will be placed next to a wall, the guardrail that runs the full length of the bed should be placed against the wall to prevent entrapment between the bed and the wall.
9. Use only 75" length, 40" width, and 4"-7" height mattress on the bed.
10. Prohibit more than one person on the bed.
11. Note the height under the loft bed to avoid bumping head when entering and leaving.
12. Do not use substitute parts, contact manufacturer or dealer for replacement parts.
13. The use of water or sleep flotation mattress is prohibited.

STRANGULATION HAZARD:

14. Never attach or hang items to any part of the loft bed that are not designed for use with the bed for example, but not limited to hooks, belts, and jump ropes.

Do not remove warning label from bed.

Step 10 Check and tighten all screws

Step 11 Connect the bed to the wall with R

Drill a hole with a diameter of 8mm and a depth of 60mm at asuitable location on the wall, and then insert 11 into the hole. Component R gets stuck in tubes 25-50 (as shown in the figure) thread 10 through R, then screw in 11 and tighten.

Components		
A		1pc
B		2pcs
C		1pc
D		1pc
E		1pc
F		1pc
G		1pc
H		1pc
