F

Left Armrest

1 PC

Step 1: Connect the armrests to the seat cushion latch after the 4 plastic legs are installed under the armrests.

Step 2: Attach the seat cushion to the back cushion.

Step 3: Use a wrench to fix the back board to the rear nut of the armrests.

Step 4: Install 4 wheels on bottom of trundle bed, please use tools to set screws .

Step 5: Inspect the screw holes on the original wooden frame, align the holes in the metal sheets, and secure the screws using an appropriate tool.

Step 6: Place the trundle bed under the seat cushion, please meticulously avoid the positioning.
