① Light Fixture Assembly:

- (1), Locate the lamp body from the sorting list.
- (2), Use the F square tube connecting rods to connect the A lamp body and the B lamp body as per the diagram.
- (3), Thread the power wire through the D rod and tighten it onto the A lamp body.
- (4), Use the E chain to connect the lamp body to the C canopy, and insert the power wire into the C canopy.

② Light Fixture Assembly:

- (1), Install the mounting plate and secure it to the ceiling.
- (2), Connect the main power wire to the light fixture's main wire and tighten the canopy.
- (3), Screw in 14 E12 bulbs into the sockets.
- (4), Hang the G glass on the hooks of the lamp body.
- (5), Installation completed.
