ASSEMBLY INSTRUCTIONS

step1

Take out the cushion(B)from air compression bag and wait for it to recover, it takes up to 24 hours to be fully recovered, you may gently slap on it to speed up the process.

Place the sofa frame (A) upside down on a clean surface, align the wooden legs(C) to the holes on each corners as shown, and twist in clockwise, make sure they are all fully tightened before next step.

step2

Take off the Velcro cover on the bottom of the cushion and place it onto the sofa, align the edge of the sofa with the cushion.

step3

There is a metal connector every part package.

If you purchased single ottoman, this connector will not be used

If you want to connect two ottomans, please place them as closer as possible, and twist the connector around the midpoint of the frame as shown.

If you want to connect armless/corner sofa with the ottoman, you may use the same method.

There is a sponge part outside the wooden frame, so please tighten the connector as hard as possible.
