step 1

Cut the Cushions (A) from the air compression bags as shown. It might take 48 hours to be fully recovered. You may gently slap on them to speed up the process.

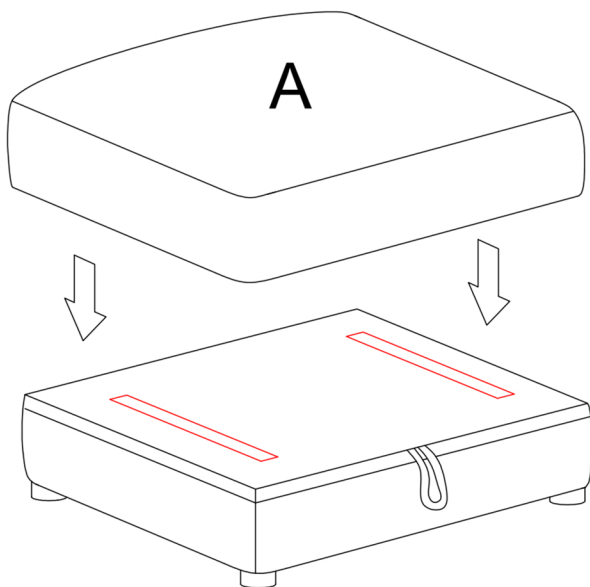

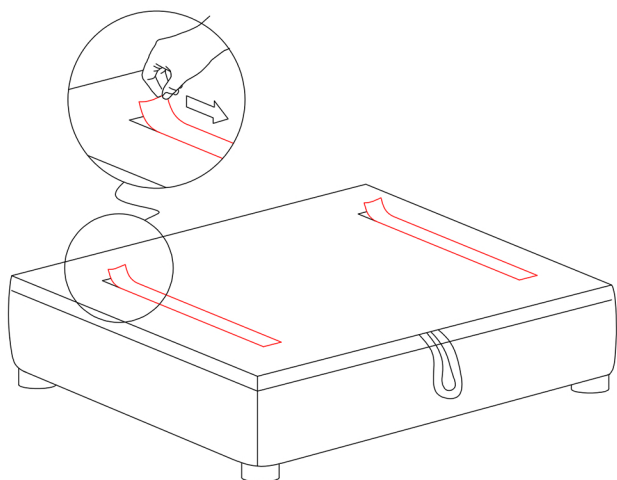

step 2

Stand the sofa frame (B) on its side on a clean surface, then align the legs (C) with the predrilled holes on the bottom of the sofa frame (B) as shown, then twist them in clockwise, make sure they are all fully tightened before next step.

step 3

Take off the Vecro cover and place the cushion onto the frame, make sure the edge of the frame is aligned with the cushion, then place the cushion on. The handle of the frame is used to open the storage unit of the ottoman.
