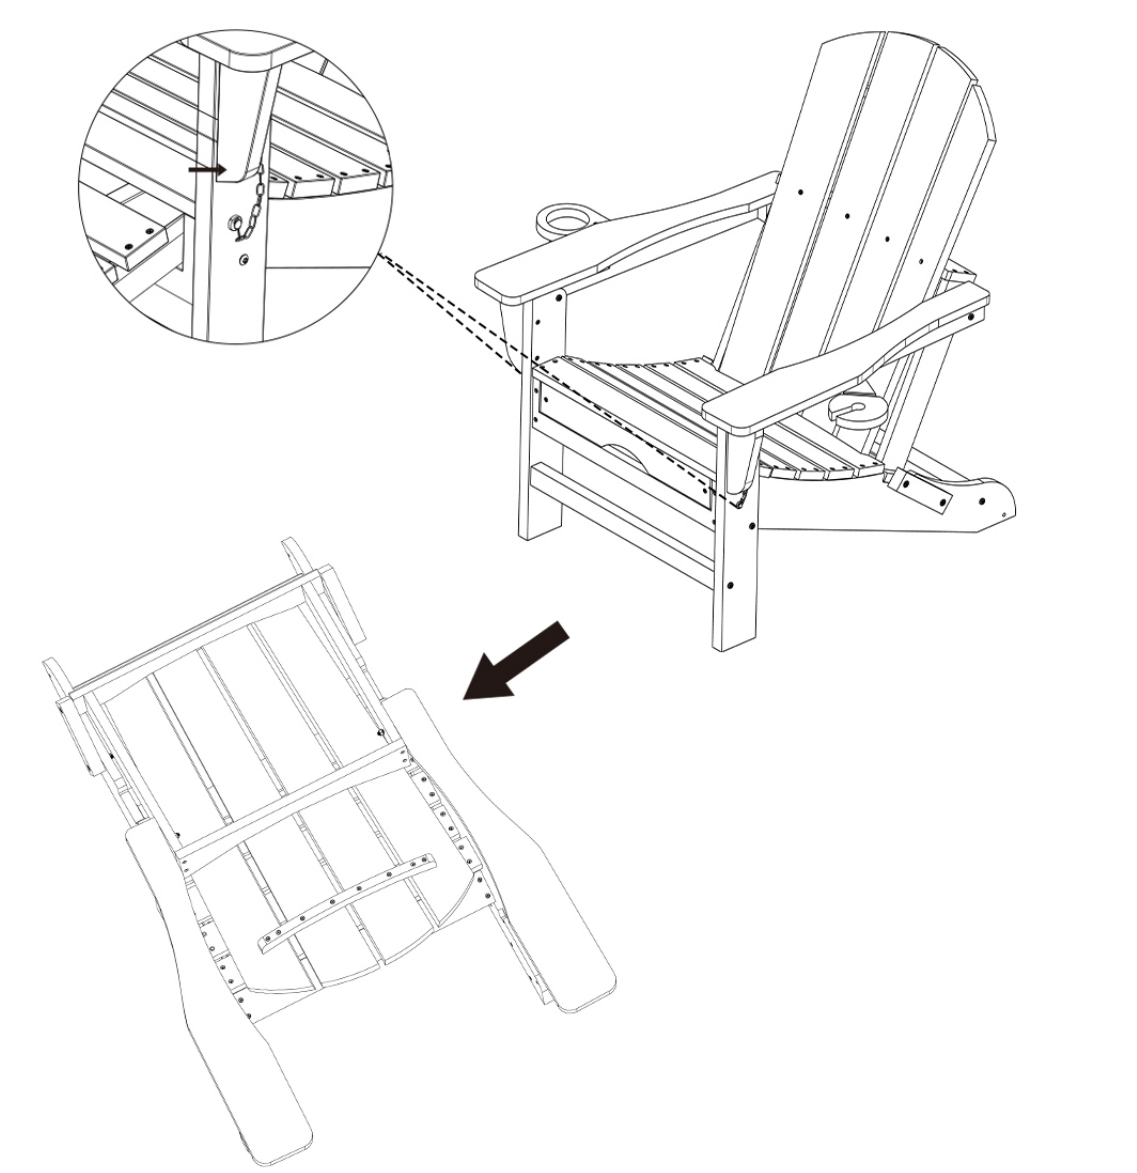
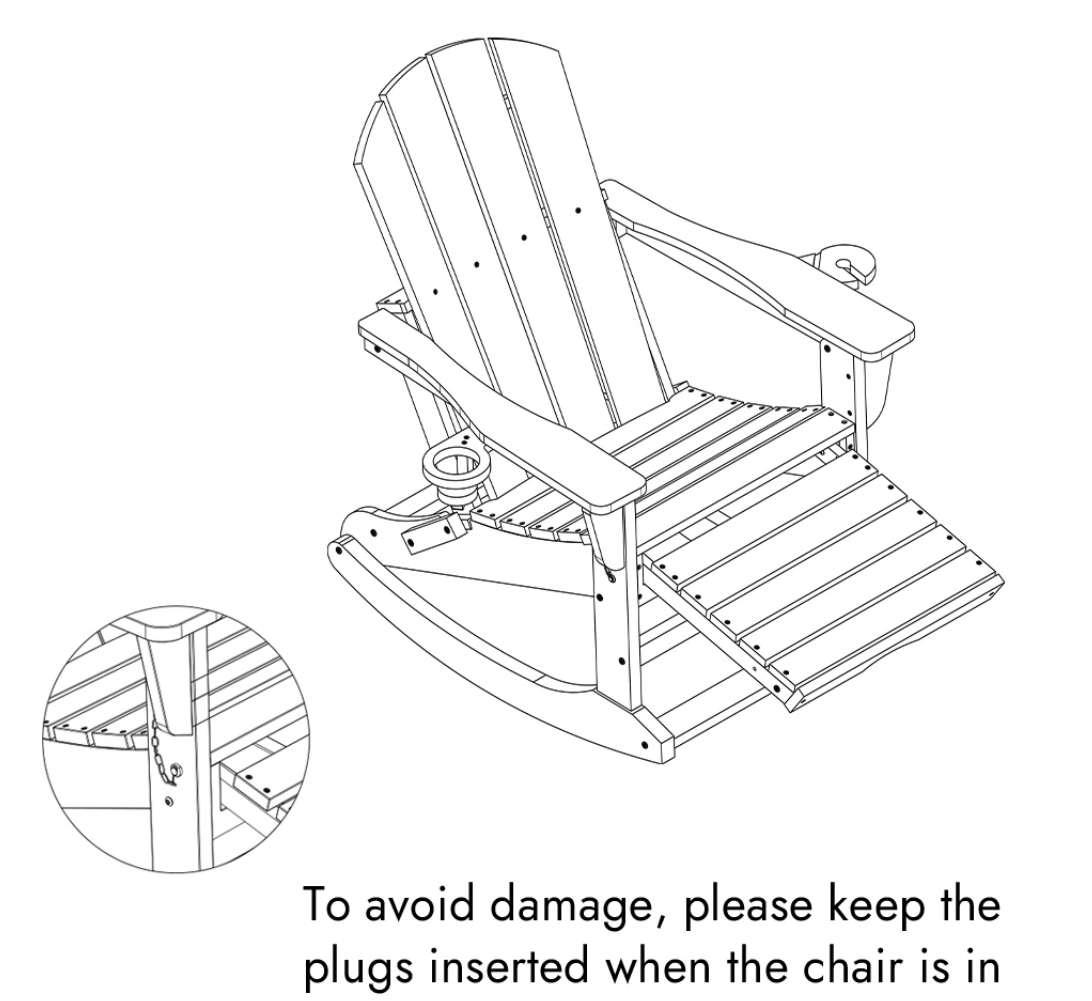
●Then attach the front legs to the notch of the runners.

Folding Chair

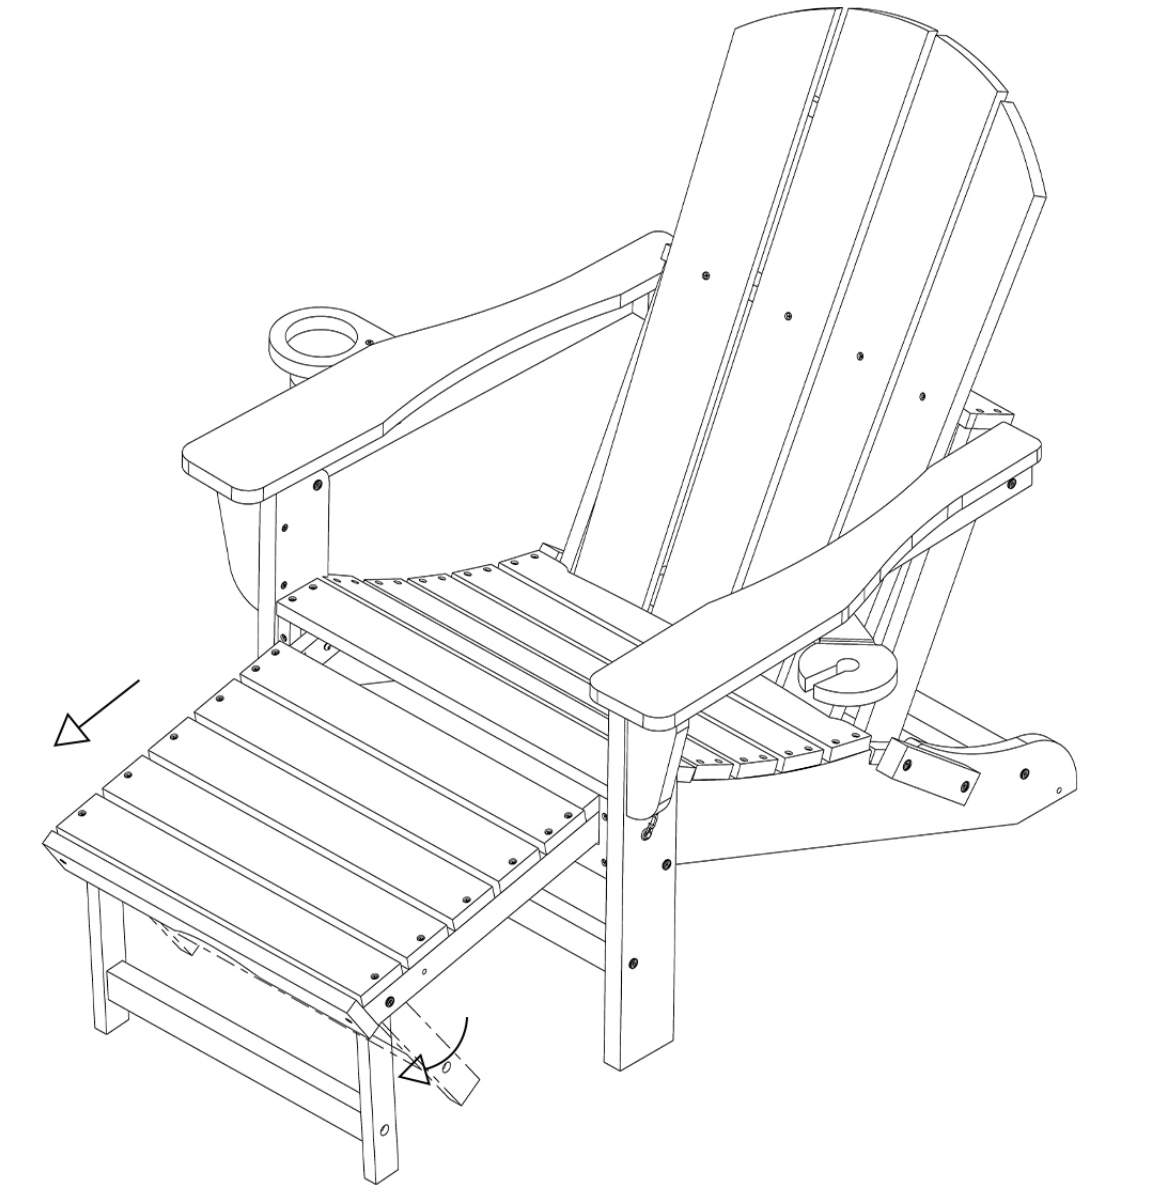
This Adirondack chair can be easily folded flat by pulling out the "Plug" inserted in the chair legs.





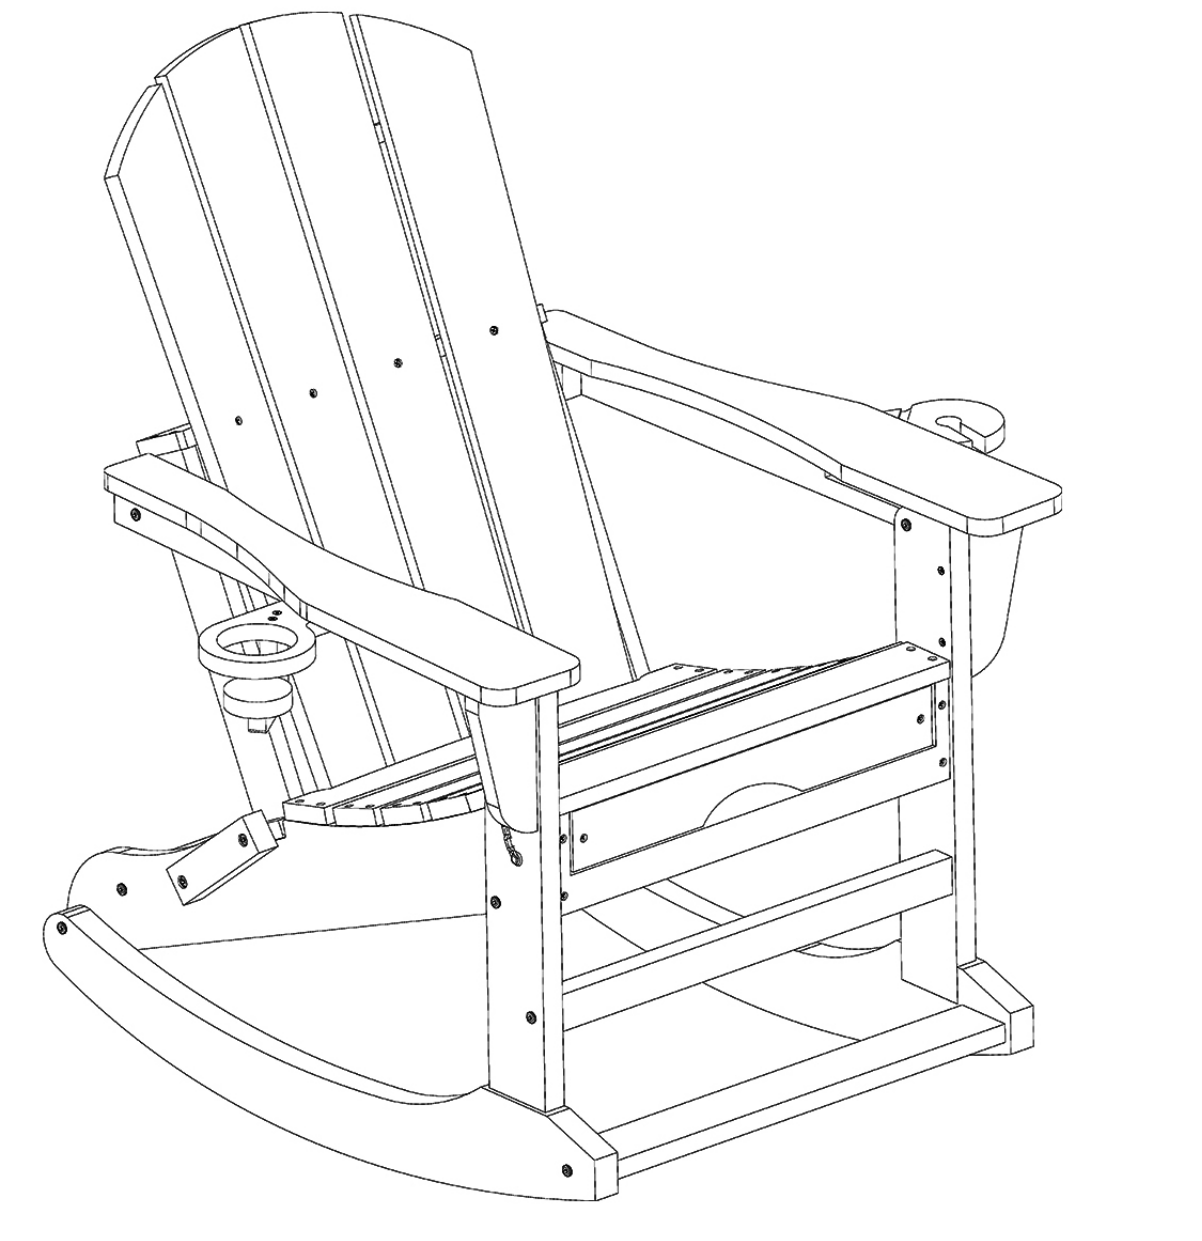
To avoid damage, please keep the plugs inserted when the chair is in use.

Mode Switching



Adirondack Chair Mode

When using it as a practical Adirondack Chair ,the pull-out footrest provides a withdrawable ottoman, and the cupholders allow you to place your favourite drinks.



Rocking Chair Mode

Attach the gently slopped runner to the chair's legs, and you can get an Adirondack-style rocking chair that will add a soothing rhythm to your leisure summertime.

Warnings

Important - Please read these instructions fully before starting assembly

Check you have all the components and tools listed on the page 2.

Remove all fittings from the plastic bags and separate them into their groups.

Keep children and animals away from the work area, small parts may cause choking if swallowed.

Make sure you have enough space to layout the parts before starting.

Assemble on a soft level surface to avoid damaging the unit or your floor.

Do not stand or put weight on the product, this could cause damage.

Assemble the item as close to its final position (in the same area) as possible.

Do not place furniture directly in front of radiators, fires, or any other source of heat.

The assembly will be easier with 2 people while 1 person could also do the job.

Refer to the LISTING page for specific installation videos.

Cleaning & Maintenance

●Clean the product with a solution of mild soap and water. Dip a soft cloth or sponge into the solution and wipe down the entire surface.

●After cleaning, thoroughly rinse the furniture with water to remove any remaining soap residue.

●When not in use, cover the product with a protective cover to keep it clean and prolong its lifespan.
