Accessory List

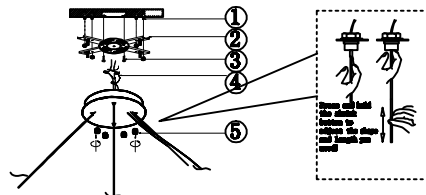

Lamp Body

Hanging plate installation: Take out the hanging plate and fix it on the ceiling where it needs to be installed with screws.

Installing the Light Body:

1. Remove the light body, connect the main wire of the light body with the power cable.
2. Align the holes on the light body with the screw holes on the bracket, tighten the screws.
3. Adjust the height of the steel wire.

Assembly of the Light Source and Cloud Stone Pieces:

1. Take out the G9 light source and insert it into the lamp holder, then test the light by turning it on.
2. Remove the cloud stone pieces and fix them onto the light body using screws.
3. Install the longer cloud stone pieces on the inner ring and the shorter.
4. Installation is complete.
