- Use spatula  (part "SG8") for easier insertion of panel into profile.
- Please ensure the panels are all installed on position before screwing.
- Please be mindful of the screw size used during installation; using screws that are too long may damage the shed.

FLOOR ASSEMBLY

Note: The crease line of the floor must be underneath

● Use spatula (part "SG8") for easier insertion of panel into profile

● The floor boards must be straight

● Fully fit the panel inside the profile

Step 1

● Fully fit the panel inside the profile
