

Installation Manual of Bed

Dear Valued Customer:

Thank you for choosing our brand and purchasing our bed frame!

We are thrilled to have earned your trust and we want to ensure that you are completely satisfied with your purchase. To help you get the most out of your new bed frame, we would like to share some useful tips on cleaning and maintenance.

When cleaning your bed frame, we recommend using a soft, slightly moist cloth. Avoid using corrosive detergents, wire brushes, abrasive scourers, or any sharp metal objects as they may damage the product.

Additionally, we recommend checking the components of the bed frame regularly to ensure that all screws are tightened and the frame remains stable.

Installing the bed frame is a simple process. Please refer to the detailed instructions in the manual for step-by-step guidance.

Customer satisfaction is our top priority and we are committed to providing you with the best service and high-quality products. If you have any questions or concerns regarding your bed frame, please don't hesitate to contact our customer service team at email. We are here to help you and resolve any issues you may have. To solve your problem faster, please note the following information in the email.
