

Thank you for your purchase!

**Ground Anchors for 72" & 96 " Tables & Benches, Includes 8 Screws, 4 Brackets and 1 Drill Bit for Concrete**

## ASSEMBLY INSTRUCTIONS

**Before You Begin: A power drill and 8mm socket required for installation (Not Included).**

Please identify all component parts and hardware pieces required before you begin. Carefully remove all of the components from the packaging and set aside for assembly. Assemble on a soft surface to prevent scratching during assembly.

**Caution:**

Tighten all components securely before use. Failure to do so may result in personal injury. DO NOT use any sharp objects to open plastic wrapped components as damage to product or components may result.

**Warning:**

CHOKING HAZARD - Small Parts. Adult Assembly Required.

Injury may result from tipping furniture. You must install the Tipping Restraint Hardware with the unit to prevent the unit from tipping and causing any accidental injury, instability, death or damage. The tipping restraint is intended only as a safety measure, it is not a substitute for proper adult supervision.

This tipping restraint is not an earthquake restraint. If you wish to add the extra security of earthquake restraints, they must be purchased and installed separately.

Serious or fatal crushing injuries can occur from furniture tipping over. To prevent furniture from tipping over it must be permanently fixed to the wall. Fixing devices for the wall are not included since different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home.

Failure to detach this restraint before moving furniture may result in injury or damage.

DO NOT ALLOW CHILDREN TO CLIMB ON FURNITURE

# Congratulations!

You just purchased a piece of happiness. At Ubique Group, we believe you can transform your spaces into the most inspired places with furnishings that are the perfect combination of form, function and style. ## Steps

1. Using provided drill bit, drill hole into the concrete, block or stone to a depth of 2 -1/2".
2. Blow out the dust in the hole.
3. Place bracket over leg tubing.
4. Secure screw flush with bracket into drilled hole.
5. Repeat for remaining screws.

TABLES & BENCHES PURCHASED SEPARATELY NOT INCLUDED.
