NOTICE:

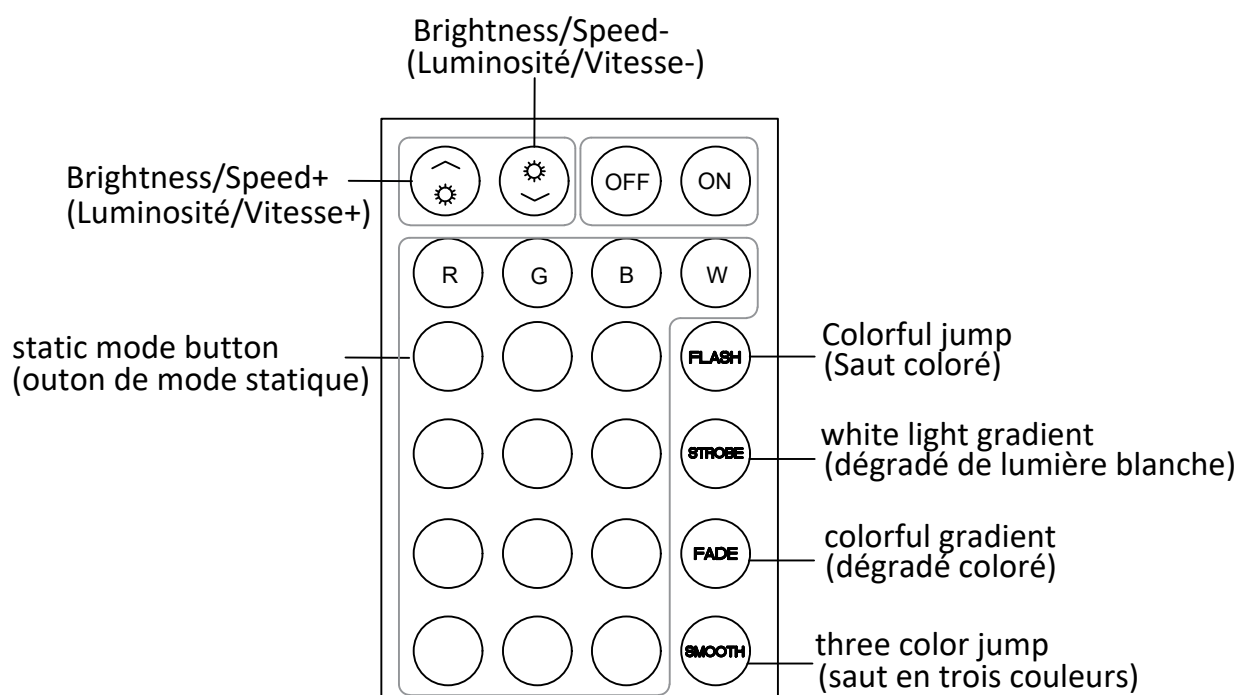

You can scan the QR code here and download an app that can control the color of the light strip like a remote control.

When your phone plays music through the app, the color of the light strip will also change according to the strength of the music.

AVIS :

Vous pouvez scanner le code QR ici et télécharger une application capable de contrôler la couleur de la bande lumineuse comme une télécommande.

Lorsque votre téléphone diffuse de la musique via l'application, la couleur de la bande lumineuse change également en fonction de la force de la musique.

NOTICE:

When you use the remote control board to control the color of the light, Please remove the clear plastic card first, then please be sure to point the remote control at the color controller .

AVIS :

Lorsque vous utilisez la carte de télécommande pour contrôler la couleur de la lumière, veuillez d'abord retirer la carte en plastique transparent, puis assurez-vous de pointer la télécommande vers le contrôleur de couleur .
