- Tiers of thick, textured glass prisms create maximum sparkle and shine for a dramatic and luxurious Glam statement.
- Ideal for low ceilings in hallways, closets, laundry areas, bathrooms, and more — compact design meets wide illumination.
- Individually crafted with substantial thickness and weight, each piece enhances its rich, rippled texture. The added depth allows light to refract beautifully, creating a dynamic, luminous effect. These handcrafted details set it apart from machine-made glass, emphasizing artistry and quality.
