NOTE: Please make sure the bed slats close to the side rail before locking the screws to avoid breakage. This step is required for both the left and right sides. Moreover, please do not lock the screws of the bed slats at the outermost edge to avoid damaging.

REMARQUE : Veuillez vous assurer que les lattes du lit sont bien ajustées contre le rail latéral avant de verrouiller les vis pour éviter tout dommage. Cette étape est nécessaire pour les côtés gauche et droit. De plus, ne verrouillez pas les vis des lattes du lit à l'extrémité la plus extérieure pour éviter d'endommager.
